A. Volpe volunteered to act as *Chair pro tem* and began tonight's officers' elections by opening up nominations for Board Chair:

- L. Gyimesi nominated Rose Kerr for Chair. There were no other nominations for that position. *As there are no other nominees and there being no objection, the Board approves Rose Kerr as Chair by unanimous consent*
- L. Timoney nominated Laurel Gyimesi for Vice Chair. There were no other nominations. *As there are no other nominees and there being no objection, the Board approves Laurel Gyimesi as Vice Chair by unanimous consent.*

- R. Kerr nominated Laura Timoney as Secretary. There were no other nominations. *As there are no other nominees and there being no objection, the Board approves Laura Timoney as Secretary by unanimous consent.*

R. Kerr believes that the Board of Trustees has really matured this year; this is due to the hard work of all of our committees, but especially the *Development & Governance Committee* who created a process for our board's maturation by utilizing Board on Track; they took a very professional path in moving our board forward; although young, we are now a significant board; looking forward to our progress and our strategic talks this summer regarding the next 5-year plan.

### III. Committee Reports

#### A. Executive Committee

R. Kerr said the following was discussed at the *Executive Committee Meeting*: End-of-year procedures; the other committees that have met; concentrations on developing and approving our budget, working with school staff, the *ED Evaluation and Support Committee*, and many other end-of-year projects were discussed.

#### B. Academic Committee

R. Kerr stated that the following topics were discussed at an abbreviated *Academic Committee Meeting*: there were flooding issues in our school building and damage to a ceiling causing some students to remain in remote learning mode however the school staff made it work.

She then gave the floor to T. Castanza to discuss the newly configured Dashboard: He thanked his staff for their work on the Dashboard as well as the results shown; the board viewed the most recent Dashboard data; there is growth evidenced in each grade, in each subgroup in both Math and ELA as a result of the school staff's hard work; he thanked F. DiCanio for her assistance all year in aggregating the Dashboard data, as well as assuring that our assessments are done with fidelity and that our teachers are supported with inputting their data. The end of year (EOY) NWEA MAP Assessment data on the Dashboard will be submitted to NYSED for our *Local Assessment Initiative*, which will serve as a baseline for next year's data submission to determine our student's progress and proficiency. Fountas & Pinnell (F&P) data is also shown on our Dashboard showing significant growth; this is our first year using F&P data for assessment; we also saw significant growth in ELA and Math in every grade level and every subgroup; 1st grade ELA data indicates at EOY that 72% are reading at-or-above grade level, up from 48% at the beginning of year (BOY). This is due to in-person learning and the hard work of our classroom teachers. The growth in Math, particularly among the students with disabilities is very encouraging; when we started our school and wrote the academic goals, we would have not believed the proficiency levels we see today.

R. Kerr added that these are digital reports that are truly reflective of our student's Math abilities and this end-of-year data is trusted by NYSED; there is much to be celebrated. On behalf of the Board of Trustees she thanked the Executive Director, his team and the school staff for these very good numbers.

#### **C. Finance Committee**

G. Winn stated that the following was discussed at the *Finance Committee Meeting*: The focus was the budget working in tandem with the *Executive Committee* and will be presented to the Board of Trustees tonight; it took a lot of time and effort; he thanked the administrative team, the Executive Director and the members of the *Executive Committee* that worked on the budget. In July we will begin looking at issues for next year, the organizational controls, how some decisions and investments are made; how to define and measure progress; strategy will need to be discussed. There is more federal money coming to the school from the Cares Act, about \$367,000 to be used over a 3-year period. He welcomes any board member who wishes to join the *Finance Committee*. He also thanked A. Volpe for accepting his donation of 6 boxes of books.

#### **D. Board Development & Governance**

L. Gyimesi stated that the following was discussed by the *Board Development & Governance Committee*:

We are focusing on succession planning as we all have term limits; we just had board appointments and elections and we are working on building the board; she invites anyone who is interested in joining the Board or the *Development and Governance Committee* to let her know; we hope by the fall we will have a more full board, as there are several prospective applicants we will continue to work with during the summer. We also did our annual review of the bylaws and had to make two minor changes: the Family Association bylaws were not in alignment with the Board of Trustee bylaws and regarding a board officer serving as a committee chair; those changes will be presented to the board tonight. The annual conflict of interest reporting is up to date and is not due again until next year; our board handbook is also available for new members to review online. The new member orientation will be held in the fall as a social gathering for dinner.

T. Castanza added that any bylaws changes that are non-material to our charter should be submitted to the NYSED portal. L. Gyimesi said she would review that later with the ED.

L. Timoney stated that the NYSED financial conflict of interest form was recently changed and our board members will need to complete it again; she will email the new form to each board member. A draft of next year's board meeting calendar was included in tonight's meeting packet of documents.

#### **E. ED Support & Evaluation**

L. Timoney stated that we are trying very hard get the *ED Support & Evaluation Committee* to complete the evaluation before the ED departs on Parental Leave on July 6th; there have been some difficulties scheduling meetings and to confirm quorum for

each meeting; in the meantime, the budget being reviewed and approved tonight has the ED salary at the same level as previously; any increases the board wishes to make would be retroactive to July 1st, the beginning of the fiscal year. This process is being done via Board on Track for the first time this year.

## **V. Executive Director Update**

### **A. ED's Report**

T. Castanza gave the following update:

- NYSED Annual Report: 15 sections of information must be submitted to a designated NYSED portal relating to various elements of the school, such as Academics, Financials/Financial Disclosures, BOT and Staff Information; the report is submitted in 2 parts, with Part 1 due on August 2 and Part 2 due on November 21.
- Our FY2022 budget was approved by the Board of Trustees tonight; we plan to review the budget again in October and make any additional revisions that are needed.
- Additional federal funding is being provided via the state as part of the newly approved federal relief acts. Bridge Prep's total allocation of these funds is \$367,168, which are to be used over a 3-year period.
- 2021-2022 School Calendar is being shared with the board tonight; student orientation for all students will be held on September 1st and 2nd; end-of-year family meetings will be held on June 17th for students entering 3rd & 4th grade and June 21st for students entering 1st & 2nd grade.
- Staff hiring will continue throughout the remainder of June, and we expect to have full staff hired by the end of the school year; all new staff positions for the upcoming school year have been run through various committees and are included in the budget approved by the board tonight.
- Parental Leave: I will be out on Parental Leave from July 6th through August 24th. Fahron Ebanks, Director of Operations, will be in charge of the all school operations and will serve as main point of contact; team members will be supported and checked-in with this summer.

On behalf of the Board of Trustees, R. Kerr acknowledged the hard work of the ED, his team and school staff and wished T. Castanza a much needed rest and relaxation during his time off. The Board of Trustees has no reservations about Fahron Ebanks being in charge while ED is away.

## **B. Monthly Financials**

## **VI. School Update**

### **A. Family Association Update**

A. Volpe gave the following update:

On June 5th the Family Association hosted a "Welcome to New Families" event at Willowbrook Park, it was a wonderful turnout and we were happy that school staff members also attended. We were excited to meet new families but it was a long day at the park.

Our last Family Association Meeting was held last week.

Drive-In Movie Night will be June 23rd.

The Family Association reminded parents that the EBT (Electronic Benefit Transfer) payments (to make up for missed school meals during the pandemic) will be released sometime in July.

R. Kerr added that she enjoyed seeing a recent school newsletter and all of the activities that take place, some with the Family Association and some with the staff; she recommends that everyone read the monthly newsletter.

## **VII. Other Business**

### **A. New Business**

Fahron Ebanks had a question for the board regarding who she could speak with if she has follow-up questions regarding the ED salary - she needs the information to process the continuation letter that all staff need to sign to confirm that they intend to continue to work at Bridge Prep for the upcoming year; she will need to complete one of these letters for the ED by June 30th and the letter needs to contain his salary amount for the upcoming year - since the board has not yet determined if there will be a salary increase for the ED, who can she speak to on the Board to get the updated ED salary information? L. Timoney responded that she could contact Laurel Gyimesi or herself.

F. Ebanks said that A. Volpe was too reticent in speaking about the Family Association event at Willowbrook Park; it was very well attended, there must have been over 100 people there; it was a wonderful event and enjoyed by all.

T. Castanza added that the Family Association will be hosting a Drive-In Movie Night at Juicy Lucy on June 23rd; the movie is "The Sandlot". A. Volpe responded that she appreciates all the support shown to the Family Association.

L. Gyimesi said that we really love to hear about the kids; anything that tells us the kids are happy, makes us happy; it's sometimes easy to get preoccupied with the details of operating the school but it's nice to hear about enjoyable things involving the children. L. Timoney agreed and said that's why we all got involved in this, to help these kids.
