Our annual financial audit is being done by Schall & Ashenfarb and we expect the draft of their report to be sent to us within a week; we will review and share the audit report with the Finance Committee and for full board approval at the October meeting. We will finally receive our Start-Up Grant from the NYC Dept of Community & Youth Development (DYCD) soon; we will notify the Finance Committee of specific amounts once we receive them. Based on new guidelines we received related to

space, health and safety, we decided to change course and move our grade 4 students to the new space instead of Grades 1 and 2; furniture from the DOE is experiencing significant delays so we borrowed furniture from other schools for opening day; Fresh painting is nearly complete and Bridge Prep specific branding will happen next week; our new *Interim Acting Director of Teaching and Learning*, Cheryl Otterbeck began on September 1st; we expect to post the permanent job position next week. F. Ebanks vetted several different vendors to overhaul our website; we have identified a group that can design and maintain our website; after final review of the proposal it will be brought to the board for contract approval at the October meeting. Summer professional development was successful; the *Singapore Math* program offered by Shelly DuBose was very well received and will be offered again in January. The *After-School Academic Enrichment Program* in ELA/Math/Science will focus on recovery from remote learning and will start in mid-October for 1 hour on Mondays/Wednesdays/ Fridays. Social workers offer SEL class and they will focus on students' needs regarding the transition back to in-person learning.
