D. Welcome from the Chair

R. Kerr welcomed the attendees and thanked everyone for their efforts on behalf of our students; she wishes everyone a restful week off to enjoy and refresh.

With mixed emotions, we thank L. Timoney for her service, everyone knows what she's meant to this board; as a valuable and efficient Secretary to the Board, she was always there helping us to become a professional board; she is a founder of our school and for the record, we want to thank her; the board members agreed. She then gave the floor to L. Timoney.

L. Timoney thanked the board and said that it's been wonderful; she has some challenges in her personal life and needs to take a step back and has resigned her position as Board Secretary effective February 9th; she will continue to be a board member and will serve on committees; she offered to help out in any way she can with the transfer of this position to the new Secretary, who will take her place on the Executive Committee.

II. Votes

A. Election for Secretary

R. Kerr opened up the process for election of a new Board Secretary for the remainder of the term being vacated by L. Timoney.

R. Kerr asked for any nominations for the position of Secretary to the Board of Trustees.

L. Gyimesi nominated M. Harmon-Vaught for the position; this was 2nd by G. Winn.

R. Kerr asked M. Harmon-Vaught if he accepts the nomination and he responded that he is honored to accept.

R. Kerr asked if there were any other nominations; there were none.

A vote was then called to elect M. Harmon-Vaught to the position of Secretary to the Board of Trustees.

Rose Kerr made a motion to elect M. Harmon-Vaught to the position of Secretary to the Board of Trustees for the remainder of the term of the previous Secretary.

George Winn seconded the motion.

The board **VOTED** unanimously to approve the motion.

III. Committee Reports

A. Executive Committee

R. Kerr stated that an *Executive Committee* update would be redundant since each committee chair will report tonight on their committees and recap what was discussed at the last *Executive Committee Meeting* on 02/08/22; therefore we should move on to those reports.

The next *Executive Committee Meeting* will be on March 8th at 7:45 AM.

B. Finance Committee

G. Winn welcomed M. Harmon-Vaught to his new position and thanked L. Timoney for her service; he then gave the following report of the *Finance Committee Meeting* held on 02/14/22: the committee was given an update by E.D. on the budget; E.D. met with Josh of BoostEd, our financial management vendor; they plan to deliver a 1st draft of the budget to our committee on March 9th; they will focus first on staff-related expenses and head-counting, then move onto non-staff related expenses, such as curriculum and programming. If you look at the financials for January, you will see a \$98,000 variance tied to pupil revenue; which is due to a variance in pupil head-count which should not persist. We are also looking at risk management and cost of insurance; the partner we use is Gallagher and most of the risk has to do with our data protection; we will talk about this further in March or April when we will look at pricing of coverage. Fundraising is being done at the school.

R. Illuzzi was invited to speak about school fundraising since she gave a fundraising update at the last committee meeting: In January, we raised \$2,040; February we will be getting funds from our Amazon Smile partnership, but the amount is still unknown; in March we will hold the Barnes & Noble fundraising event; we have been asking for donations for our school's vending machines; and we have set up our Facebook tools to reach out to our community.

The next *Finance Committee Meeting* will be March 14th at 4:30 PM.

C. Board Development and Governance

L. Gyimesi gave the following update from the *Board Development and Governance Meeting* held on 02/03/22: We continue to work on our structured development plan for

the board; we are revising our trustee job description; we will start posting on some websites; if anyone wants to recommend someone to serve on our board, please let me know. We are also still awaiting the board evaluation results from 4 board members; we will be meeting again in early March and would like to discuss the results of the evaluations; Pasek Consulting would like to meet with our board again remotely sometime in March to discuss what we can expect from the charter renewal process; at this point we are about 18 months away from our renewal. We will set up a date for that meeting in the next few weeks. A question was raised on whether that meeting with Pasek Consulting could be considered a regular board meeting and it was determined that as long as the public is invited and the board has quorum for the meeting, it can be considered to be a regular board meeting.

The next *Board Development and Governance Meeting* will be on March 3rd at 8:00 AM.

D. ED Support & Evaluation

L. Timoney said that we are waiting to hear back from Board on Track regarding the Executive Director's Evaluation that they are creating for us. We should be hearing from them within a few weeks.

M. Harmon-Vaught said that he will follow up with them.

E. Academic Committee

R. Kerr gave the following report on the *Academic Committee Meeting* held on 02/09/22: E.D. is on vacation, and DTL C. Volpe has been giving us academic updates in his absence; we covered a lot of content at our last committee meeting; she then gave the floor to C. Volpe:

C. Volpe then reviewed the F&P data for literacy fluency and comprehension from the Dashboard; she compared the beginning of the year (BOY) data to the middle of the year (MOY) data; the percentage of students that experienced growth from BOY to MOY: 1st grade - 43%; 2nd grade - 31%; 3rd grade - 63%; 4th grade - 68%; she then reviewed the OG data for each grade; there is a disconnect in agreement between the F&P data and the OG data; moving forward we will make sure all teachers are trained in administering assessments; we have created a data assessment team; we will identify and prioritize OG skill pattern assessments for consistency; we are creating scheduling for next year to align F&P to OG; we are starting after-school Session 2 in February with smaller groups and we will group students by their skill level, not their grade; we will also set up groups for ELA & Math as well. NYS ELA exams will be on March 29th & 30th; Math exams will be on April 26th & 27th. We are preparing students for these tests and making sure that students who need accommodations will have them. We have been provided an additional OT and counselor to provide in-person IEP services to students.

R. Kerr and E.D. met with David Frank, *Executive Director of NYSED Charter School Office* to discuss what has recently been in the news about DoE plans to open the first public school for dyslexic students since we already exist in that category and we seem to

have been overlooked by the Mayor and Schools Chancellor; D. Frank was very supportive of the path we are continuing in working with the community. The District 31 Superintendent and Deputy Superintendent met with us to find a middle school solution for our 5th graders; this has not be established in any borough, so we are forming a task force with District 31 to create a model solution for this.

The next *Academic Committee Meeting* will be March 9th at 9:15 AM.

A. Volpe gave the following *Parent Association* update:

There will be an ice skating event in February; we will sell flowers in April and hold a fun event in May; there will be a 4th grade parent meeting on March 10th.

VI. Other Business

A. Citywide Council for Charter Schools

A. Volpe said that she reached out to the DoE office of *Family and Community Engagement* (FACE) and spoke to Dr. Melendez - asking why charter school parents can't participate in a city-wide parent council; having conversations with DoE about the necessity of allowing parents of charter schools to join such a council; our charter schools are impacted by DoE schools, but not ruled by them, and we believe charter school parents should have a voice.

VII. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 8:04 PM.
