#### I. Opening Items

#### **A. Record Attendance**

#### **B. Call the Meeting to Order**

Mark Harmon-Vaught called a meeting of the board of trustees of Bridge Preparatory Charter School to order on Friday Jul 19, 2024 at 4:06 PM.

#### **C. Welcome from the Co-Chairs**

M. Harmon-Vaught welcomed everyone to the meeting and said he is excited to be in fellowship with all of the trustees and to partner with T. Castanza and the school's staff; it's wonderful to be in physical presence with everyone today; he is looking forward to the new school year and is grateful for the time and effort trustees put in; we come with our hearts and are deeply invested in this school; in order to be effective we need all of us to engage together; he is grateful for all board members and especially for T. Frey, his co-chair, who is a joy to work with. He then gave the floor to T. Frey.

T. Frey agreed and said since we are board members of a school, trustees will notice that some of the structures put in place, even for our board meetings, will be school-related; we will open today with an activity; some of the reason why we are doing this is to model for E.D. and school staff the practices and protocols that can be shared with teachers and then by teachers with students. Welcome - we are very excited for the year ahead and for today's work as well.

#### **D. Breaking the Ice**

T. Frey gave a fortune cookie to each board member and asked them to read their paper fortune aloud and align their paper fortune to the work ahead this school year. The group followed directions and proceeded to read each fortune and then speak on how they believed each one applied to the school year ahead. New potential trustees Deirdre Medina and Tara Gore spoke briefly and each trustee introduced themselves and spoke about their terms on the board.

## III. Strategy Session

### A. Executive Director Update

T. Castanza gave the following update of items to be presented in August:

- **SCHOOL SAFETY PLAN** - By law we are mandated to update the school's safety plan; DoE has a district safety plan that we use as a base for our safety plan, modified for our needs. A big focus for us this year is how we communicate with families, the board and community. Our school safety plan needs to be presented at a public meeting as well as to the Board of Trustees, which we expect to do in August.
- **CONTRACT RENEWAL** - SI Media Group was very helpful with student recruitment, and we want to renew their contract.
- **KINDERGARTEN LAUNCH** - We will launch a Kindergarten class to start this September, as suggested by NYSED during our charter renewal process. Since our admission lottery was already held prior to the plans for Kindergarten, we will accept any students that apply until the class is filled and then we will start a wait-list for additional applicants; if we get enough K applicants we may open up a 2nd K class; we have classroom space available and teaching staff also available. We hope to limit each K class to 10-12 students.
- **BUDGET & ENROLLMENT** - In June we approved a budget for 235 students; NYSED authorized us to serve 270 students; as of now, including the new Kindergarten students and the additional students in other grades, we have 261 students enrolled. When we do our budget review, we will see a massive increase in revenue due to the additional students. That will allow us to think about additional personnel; we will pause on upper grade applications while we wait to see what the lower grades, K, 1 & 2 bring in student applications.
- **STAFFING CHANGES** - We looked at the results of multiple focus groups as well as the end of year MAP data to decide what direction we wanted to go, and are we moving in the best direction in all areas that we need to; if there is any area that we feel needs improvement, then this is our opportunity to make that change. Cheryl Otterbeck, *Director of Specialized Instruction*, has graciously agreed to step into the role of *Interim Acting Director of Teaching and Learning* while we hire an external search firm to conduct a national search for Bridge Prep's new Instructional Leader. In addition, we will be contracting with a former principal to mentor and assist C. Otterbeck in her new role. We presented the staffing changes to teachers and staff moving forward and must present a united front to staff regarding these plans. There

is still work to be done, but we have the right personnel in place now; we're on the right path.

- **FACILITY SPACE** - We have enough space now for our needs, but we don't have enough space for what we want to do in the future. This is something that we will need to discuss in the months ahead, especially if we see more demand for seats in the early grade levels; we need to see if we can expand our current space with physical upgrades or decide what else is possible. This is something that we will be focusing on this year and can discuss together.
- **PARENT COMMUNICATION** - Focus group results indicated that we need to concentrate on communicating with families in a really meaningful way; E.D. will be working together with D. Medina, President of the *Family Association* to address this issue. We will be adding a new staff position that was not in the budget - a Parent Coordinator, that families can go to with questions or problems. We will also be getting a 2nd P.E. teacher to focus on movement and student wellness. We are looking into hiring a music teacher; we are reimagining a former classroom space as an arts studio for students.
- **LEGAL COUNSEL PRESENTATIONS** - Susan Briggs who is legal counsel for our school has offered to share her expertise with the Board of Trustees; she is very knowledgeable about charter schools and her skills can be utilized in many ways.
- **OPPORTUNITIES FOR TRUSTEES** - E.D. would like to demystify the Board of Trustees and invite board members to be more present with parents and staff; one way is for board members to be invited to professional conferences attended by school leadership and staff. The *NYS Charter Association Conference* is a good example - it is attended by many board members and is held in Manhattan at the end of October; he encourages our trustees to attend. Also, the *Orton-Gillingham Conference* held in April would be very interesting for our board members to attend. He will share the dates and details for both.
- **PASEK CONTRACT RENEWAL** - We haven't decided yet if we are going to renew the contract with Pasek Consulting; they offered us a contract for 3 years at \$36,000 per year; our charter will be up for renewal in 3 years but in the meantime, Pasek simply helps us create our annual report each year. At his point we are not ready to sign onto a new 3-year contract with them since we can create our own annual report this year. The decision on whether to renew the contract with Pasek is something that we need to discuss and decide if, or when, we want to utilize them again.
- **SCHOOL BUILDING REFRESH** - E.D.'s office is moving to the space that was previously a Literacy Lab; and former E.D. office will now be a 5th grade classroom; we will be converting another space into a conference room for meetings. The Literacy Lab will be moving into a double space that was previously administrative offices. We are doing some minor renovations to the courtyard.
