A. 2023-2024 CAASPP and ELPAC Data Presentation for School Sites

Mary Busby, Interim Chief Academic Officer, presents the California Assessment of Student Performance and Progress and English Language Proficiency Assessments for California Data Presentation for School Sites. She introduces all Site Directors and a few Deans that have came to the Board Meeting to show support of the data being presented. For Benito Juarez Elementary, Dr. LaSonya Walker and Janice Galindo was here. For Richmond Charter Academy, Dean, Sarah Carloni was here. For John Henry High School, Stacy Drakeford and Rose Azor were here. For Oakland Charter Academy Jocelyn Brooks was here. For Downtown Charter Academy, Kelly Le was here. For Oakland Charter High School, Jasmine Nash tuned in virtually. Mary begins a slideshow presentation. For Richmond Charter Academy, The English Language Arts/Literacy Slide shows growth and the standard exceeded, the Mathematics slide also demonstrate growth and wins. For John Henry High School, we can also see 10-30% growth for English Language Arts/Literacy from the last school year to this school year, Mathematics has also improved. Downtown Charter Academy shows a growth of up to 50% for the Standards required in Mathematics. Oakland Charter Academy shows improvement in mathematics especially showing an increase of over 58%. Mary also wants to point out that our students are overall doing better than Oakland Unified School District Students, and they show a bigger growth in academics. Mary goes over English Language Proficiency Assessments for California next which is testing for academic proficiency and we can see growth in all areas. Elisa Gallegos, Board Member, asks the Site Leaders about California Assessment of Student Performance and Progress Data and if they have seen this data previously, Kelly Le, Site Director of Downtown Charter Academy, states that they do receive this data beforehand, but this is new data that came out in late September. Elisa asks how the sites go about test taking, and how they deal with students having testing anxiety. Dr. Walker states that they plan their curriculum to end in March/April so that the instructional staff can focus on preparing students for the testing instead of trying to finish teaching curriculum. Stacy states that they encourage students to try their best so that they do not have to revisit material. Kelly states that they collaborate with families, and helping them understand what testing looks like. Carloni states that they get the students involved in the data, and that they celebrate all growth. She also says that they get into the routine of testing prior so that it is not new and scary. Mary continues with presenting the English Language Proficiency Assessments for California data. She shows Oakland Charter High School with significant gains across the

board on every level. John Henry High School Students also moved up a level. The Board takes a moment to thank the Site Directors for all their work. Kelly, invites the Board to visit her school so they can see students in action.

B. CEO Report

Sylvia Flores, Chief Operating Officer, presents her CEO Report to the Board. She begins by telling the board that from the last time she presented our Attendance and Enrollment Numbers we have gained 10 students, but we are still down 15 students based on June meeting's projection. She shares an image that shows the the difference in students from budgeted enrollment to current enrollment. The difference in numbers show the current standings: Benito Juarez Elementary -8 students, Richmond Charter Academy -2 students, John Henry High School +13 students, Downtown Charter Academy +5 students, Oakland Charter Academy -3 students, Oakland Charter High School -20 students. Sylvia and team are working on a strategy plan for 2025-2026 school year to avoid this gap. The scheduled date to open enrollment is November 1st, Lottery is held around mid January. Amethod Public Schools is also connecting with "Oakland Enrolls" to ensure participation in Oakland recruiting events. Currently, the team is brainstorming new ideas to ensure we are attracting families and students to our schools. The Average Daily Attendance for all schools is presented; a slight change happened in Oakland Charter Academy that went down just one point, although historically there are lower attendance numbers around this time of the school year. Sylvia is ensuring the schools are staying on top of that data and contacting families for chronic absences. She presents the date for the Oakland Charter High School Renewal Townhall on October 29th at 5pm which will be held at Oakland Charter High School. Sylvia proceeds with the next topic and states she will have Northwest Evaluation Association and iReady benchmark assessments data presentations at the November Board Meeting. Elisa Gallegos, Board Member, asks what kind of communication has been established regarding the Oakland Charter High School Petition Renewal. Ms. Nash, Site Director of Oakland Charter High School, has also been sending out messages through parent square to alert them. At school, there are daily announcements to alert the students there is a Petition Renewal and their presence is requested. Next, the Site Directors share different school events. John Henry High School states that senior night was last Friday. They made it to Volleyball Finals, and the Soccer Team is on its way to being Champions again this year. Richmond Charter Academy shares that they have parent teacher conferences coming up, and they have a holiday event in November, and a Trunk or Treat happening in the parking lot. Dr. Walker, Site Director of Benito Juarez Elementary states they had a wonderful Hispanic heritage night. They had a grandparents day celebration which was great. They will also host a reading night for the parents soon. Kelly Le, Site Director at Downtown Charter Academy has a fall festival on November 1st, to celebrate the Halloween holiday and also include even those who do not celebrate Halloween. Oakland Charter High School is going to Downtown Charter Academy to talk about enrollment. They are launching their Family Staff and Teachers meetings as potluck meetings to get everyone involved. Jocelyn Brooks from Oakland Charter Academy states they had a

successful back to school night, Midterms were last week, and they went well. Teachers are happy about the scores. Parent Teacher Conferences were successful and teachers and parents felt heard and supported. They started an 8th grade committee where members were voted in. Ms. Brooks is doing the work to ensure the students feel valued and heard, and that the staff and families feel supported. Oakland Charter High School is having a Admission night for its seniors in late October, as well as their Homecoming Dance. They also have scheduled meetings with Downtown Charter Academy and Oakland Charter Academy to help with enrollment for next year. Sylvia thanks the site directors for being here and their dedication.

Board Policy #: Adopted/Ratified: December 2, 2024 Revision Date: N/A

Access to Public Records Policy

Requests for public records shall be made to the office of the Chief Executive Officer. The Chief Executive Officer or designee may then determine the most appropriate employee of Amethod Public Schools ("AMPS" or "Charter School") to assist in assembling any public records for production.

Any person may request a copy of any public record open to the public and not exempt from disclosure. Public access shall not be given to records listed as exempt from public disclosure in the California Public Records Act or other applicable statutes. While a request need not be in writing, if the request is verbal, the requestor will be asked to reduce the request to writing so there is a written record of the records being requested. If the requestor chooses not to reduce the request to writing and confirm the request with the requestor. The request for public records must clearly identify the records requested, along with the name and mailing address of the requestor.

Provisions of the California Public Records Act (Government Code Section 7920.000 *et seq.*) shall not be construed so as to delay access for purposes of inspecting or receiving copies of records open to the public. Any notification denying a request for public records shall state the name and title of each person responsible for the denial.

AMPS may charge for copies of public records or other materials requested by individuals or groups. The charge, based on the direct cost of duplication, has been set by the Board of Directors at ten (.10) cents per page. It does **not** include the cost of locating, retrieving, or inspecting records. The cost of duplicating an electronic record shall be limited to the direct cost of producing a copy of the record in electronic format. However, the requester shall bear the cost of producing the copy of the electronic record, including the cost to construct the record and the cost of programming and computer services necessary to produce the copy, if:

- 1. The electronic record is one that is produced only at otherwise regularly scheduled intervals; or
- 2. The request would require data compilation, extraction, or programming to produce the record.

To fulfill such a request for public records, employees of AMPS may be asked to search for and disclose all responsive disclosable public records maintained on the employee's personal devices or accounts.

Within ten (10) calendar days of receiving any request for a copy of records, the Chief Executive Officer or designee shall determine whether the request seeks copies of disclosable public records in the possession of AMPS, shall promptly inform the person making the request of AMPS's intent to comply with the request, and shall indicate the date that the disclosable public records shall be made available. The date of the receipt of a request received after business hours or on non-school days when AMPS is closed shall be the next business day.

Approval of Grad Night Proposal for OCHS

Section:III. BusinessItem:G. Approval of Grad Night Proposal for OCHSPurpose:VoteSubmitted by:OCHS Grad Night Proposal SY 2025 - Google Docs.pdf

Oakland Charter HS Class of 2025 Senior Trip

<u>Point of Contact</u>: Jasmine Nash, Site Director
<u>Event</u>: Grad Night 2025
<u>Dates</u>: 5/21/25 (Universal) or 06/04/25 (Disney)
<u>Time</u>: Depart from OCHS: 5:00AM Return to OCHS: 10:00 AM following day
<u>Location</u>: TBD (Options: Disneyland, Universal Studios)

<u>Goal</u>: Provide an end-of-year field trip for seniors to celebrate the end of their K-12 educational trajectory. Attending a Grad Night event at a theme park is a tradition at most high schools.

<u>Student Group</u>: All Graduating OCHS Seniors of 2025 who are in "Good Standing". Good Standing means:

- Students are passing all classes that they need to graduate
- Student has not been suspended during the current school year
- Student does not have more than 10 unexcused absences during the school year (students with more than 17 unexcused absences are considered chronically truant in the State of California)

Chaperones: Staff Volunteers

- 1 chaperone per every 10 students (10:1 student to staff ratio)
- 1 school administrator will attend the trip
- Final Count of chaperones will be based on student attendance

Amethod Public Schools

Tentative Itinerary: Leave early morning, arrive, spend time in the park - including their special grad night celebration, return to OCHS the following morning.

Transportation:

The estimate each school contracted for was \$2,623 per bus, per date, plus fees. The bus will come equipped with restrooms, Wi-Fi, phone chargers, up to \$10 million in insurance coverage, and a professional chauffeur to assist with the group's needs.

Permission Slips: Issued to all OCHS families, with contact information and details of the trip. No student can attend without a signed permission slip.

Note: Below you will find two options for the Senior Trip, one to Disneyland and the other to Universal Studios. Based on student interest, Disneyland is the most popular option. Each option shows ticket options, the inclusions and final prices. The last page will include confirmed fundraising options to make up the difference with the final cost. No students will be left out of the trip due to a lack of funds.

Fundraising Opportunities

We are planning several school-wide fundraisers, led by the senior class, in order to secure enough funds for this specific event as well as other exclusive Class of 2025 programming.

November - Double Good

December/January- Mrs. Fields

February- Bake Sale/Candy Grams

March- World's Finest Chocolate
