General consensus is 9, but that will be determined at the next meeting.

## **VII. Action Items (public comment must be had immediately before each action item vote)**

### **A. FY21 Budget**

R. Johnson made a motion to Approve budget.

N. Berg seconded the motion.

About 1 million carryover in the bank at end of the year. Some of the money is restricted funds. (All but about 200,000)

Discussion on bond and how it can relieve the school of some expenditures. Currently it is a balanced budget, but things may change depending on state revenue. A revision may be needed in the fall.

Fund balance has been increasing, but in a couple of years, on this current trajectory, this will start decreasing. Bonding can turn this around.

Harvey asked if there is a specific concern with bonding? Between now and Sept 1 of 2021, you will want to transact the bond for most benefit. Could wait to 2022 before fund balance starts to decrease.

If approved as is, expect revisions later on.  
The board **VOTED** to approve the motion.
