## **III. Administrative Reports**

### **A. Executive Director's Report**

Cheryl Martin excitement about recent and upcoming school events. She provided an update on the re-enrollment process that launched on January 5th. She reported student successes in the recent basketball season and robotics and quiz bowl championship.

Ms. Martin also provided an update of the team's attendance at the LAPCS charter conference in December.

Chris Brooks shared a summary of the recent audit findings along with the corrective actions taking place on each item. All were minor items that are already corrected or in the process of being corrected.

Chris Brooks provided an update on the bond process and timeline. He shared hope to have pricing around February 1st and the bond wrapped up in mid-to-late February. Dr. Holmes asked about a contingency plan if this round was unsuccessful, and Mr. Brooks explained it is too early in the process to determine that, but he will update the board if that becomes a reality.

Teresa Tate shared a hiring update that all offers have been signed for all general education teachers which would give us a complete gen ed staff for the first time this year. She also shared the increased level of experience and licensure in the recent candidates.

Dr. Holmes shared an overview of the LEAP results that were included in the data dashboard. She reviewed the categories and scores in comparison to last year. Our

letter grade stayed the same at a D, but we increased in our growth with the Progress Index increasing from 72.7 to 78.9. The School Performance Score dropped slightly from 51.5 to 50.6, with the largest drop in the Interest & Opportunity Index that dropped from 139.3 to 112.5, which may have been due to changes in state criteria for this category.

## **B. Fall 2023 Survey Results**

Michael Jennings shared the survey methodology for the parent, student and staff surveys that were conducted this fall. He also provided a year-over-year comparison of the summary data.

Kia Murray and Cheryl Martin shared the strengths and opportunity areas of the survey results. They also shared their mid-year goals based on the survey feedback and the communication plan to accompany the results.

J. Holmes shared her reflection on the differences in responses for new staff vs. long term staff and wondered if there was more we could do to onboard the new staff. T. Burns asked for clarification on the coaching & training offered to new teachers. Ms. Martin the new leadership team structure that provides for 3 levels of support to the new teachers. J. Holmes asked if there had been follow up discussions regarding school safety due to the feedback from the Junior High students. C. Martin shared that the Leadership Team has been having ongoing discussion on this topic and is working to create a student focused group to dive into the topic further. H. Wier shared that he feels Middle School will always be challenging.

K. Murray shared that the school survey data is not the only feedback that is considered, there are several other data points that are considered when setting goals for improvement. She shared that the Leadership Team has already started on goals for this spring and has held the first meeting of a staff focus group to further the understanding on how to improve.

## **C. 2024-2025 Staff Recruiting Plan**

T. Tate shared the high-level steps involved in the staff recruitment plan for the 3 phases of this year. She shared examples of the updated pieces that have been done to date including research, stakeholder feedback, a compensation analysis, salary schedules for all positions and a new job description template. She also shared an overview of the upcoming project to give us a strong baseline for recruitment.

J. Holmes suggested that we create a committee to look into the details of the recruitment plan and offer feedback.

## **D. ESP Evaluation Process**

Dr. Bressler shared the ESP Evaluation Tool and asked for any questions from the Board. There were none.

#### IV. Discussion Items
