Kathleen Wheeler shared her concerns with cuts in support staff, especially due to the number of teachers still in programs to become teachers.

Norman Bijou shared his concerns with covering cleaning needs for 81,000 sq feet with less than the current 9 staff. He feels keeping a few extra staff is necessary to keep up with the needs. He currently has 5 full time and 4 part time staff.

Faith Wilson asked how the cuts would support the goals and vision of the school. She wondered how we keep up with the academic and safety needs without the current staff numbers. Thinking about parent concerns with safety if we cut support staff. She's concerned about teacher supports and how to fill the frequent vacancies.

Ckaris Dillon mentioned that the chart that Dr. Holmes shared of the admin staff at other schools was a comparison to schools that have selective enrollment. Since we take every student, we have more challenges than those on the comparison chart. If the teachers are worried about classroom discipline and not getting help with curriculum, they will suffer.
