B. DHE Trustee Convening Meeting

The topic was covered by Chair Phillips in her presentation.

C. Open House update

The President reported on the Open Houses. He stated that the COVID world has changed the way students and parents are looking at and evaluating institutions. The

The President informed the Board of the early college programs in place that include dual enrollment. The goal is to bring more high school students into the university classroom. Historically, first generation students are intimidated by higher education, by bringing them into the college classroom early, we can show them that they can be successful. He noted that this initiative is part of the Commissioner's Equity Agenda.

F. News Articles
