B. Call the Meeting to Order

C. Public Comments

There were none.

II. Candidate Interviews

A. Format/Develop Questions

D. Phillips welcomed the Board. She stated that E. Gregoire had circulated another draft of possible questions for the Presidential Candidates and he did a great job of pulling a wide-range of topics together.

The BOT discussed each question in great detail and decided which Trustee would ask each specific question. Each trustee would introduce themselves prior to asking their question.

The goal of all of the questions is to elicit a behavioral response allowing candidates to talk specifically about the work they have done in a given area.

The questions should be more general given the unique background of each of the candidates.

A question regarding work in the area of equity, diversity and inclusion was added.

There was a conversation about the need to be mindful of the time during the interview.

J. Murdoch discussed the evaluation form that will be sent to the campus community for feedback on each candidate.

III. Closing Items

A. Adjourn Meeting

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 9:57 AM.

Respectfully Submitted,
D. Tiernan
