## II. Presentation by the Auditors

### A. Board Presentation Exhibits/Audit Presentation

#### Presentation of Audit (FY 2025)

Presenter: Jim Johnston, Bollus Lynch

#### Key Audit Findings

- Bollus Lynch issued an Unmodified, Clean Opinion on the Audited Financials Draft as of 10.15.2025.
- Statement of Net Position (as of 6.30.2025):
  - University assets decreased by \$8.5M year-over-year, primarily due to depreciation/amortization.
  - Cash position is up \$4.7M year-over-year, attributed to increased state appropriations and positive market conditions.
  - Net Position showed a decrease of \$141M year-over-year.
- Income Statement:
  - Operating Revenue is down \$2M, driven mainly by a \$3.2M decrease in Tuition and Fee revenue due to decreased student enrollment.

- Operating Expenses increased by \$3.4M, primarily related to payroll, benefits, and \$18.7M in depreciation.
- The resulting Operating Net Loss was \$64.4M (up from \$59M the prior year).
- State Appropriations of \$62M (Non-Operating) offset the loss.
- Overall change in Net Position was a decrease of \$2.4M year-over-year.
- Audit Process: The audit was smooth, with no alternative treatments, no audit adjustments, and no disagreements with management, supporting the accuracy of the information.

### **Committee Discussion Highlights**

- Q (M. Fiorentino): Primary financial focus area?
  - A (J. Johnston): Enrollment is the biggest issue, as expenses remained relatively flat.
- Q (M. Fiorentino): Concern over using reserves?
  - A (J. Johnston): The University is not yet at a point of concern. The final net position was a positive gain, and if debt obligations are met, the University is in a good financial place.

## **III. Budget Update**

### **A. Budget Summary**

#### **Audit Overview and 2026 Budget**

Presenter: Robert Labonte

Audit Overview and Fund Clarification

- Mr. Labonte provided a clearer, more intuitive breakdown of the financial statements by fund type:
  - Unrestricted Funds (Controlled by Board, tied to the budget) showed a Surplus of \$545,810.
  - Physical Plant included the majority of the deficit (\$8M net deficit) due to \*\* \$13.6M in depreciation\*\*.
  - Accrual Funds (Pension/Benefit liability) are booked by the University but largely covered by the State.
- Key Takeaway: While the overall net position showed a \$2.4M deficit, the Unrestricted Funds remained positive, which is key for the operating budget.

#### **2026 Budget Review**

- The 2026 Budget uses a new structure aligned with the standard state format.
- Expense Projection:
  - Overall increase of \$4.6M.
  - Payroll/Related Expenses increase of \$3M (includes \$1.3M for retro collective bargaining and \$1.5M for increases/step promotions).
  - All other expenses increase of \$1.7M (4% increase, in line with inflation).

- Revenue Projection:
  - Includes a \$3M increase in State Appropriations.
  - Enrollment and Housing revenues are estimated to be \$158,000 less than the prior year (cautious projection).
- Reserve Usage: \$2M in reserve funds will be used to support the 2026 budget (a reduction from the preliminary \$3.5M projection).
