## **II. Public Comment Period**

### **A. Open Floor for Public Comments**

No requests for public comment.

## **III. Critical Issue Discussion**

### **A. Legislative Session Update**

Jill provided a board with an update regarding the 2026 Washington State legislative session. The legislature approved an operating budget that diverted \$7.4 million in charter school enrichment funding to transition to kindergarten account. This will result in about a \$330,000 reduction to Pinnacles Prep annual budget.

Jill is attempting to schedule a legislative town hall with the Washington Charter Schools Association in April or May to discuss this issue and prepare for advocacy to restore this funding next session.

## **B. Student Enrollment and Monthly Attendance Report**

Sara shared a student enrollment and monthly attendance report with the board.

Tardiness has trended upward since the start of 2026, which is the opposite trend of which we saw in 2025 for the same timeframe. Our attendance reports display a cumulative picture of tardiness and Nate requested a separate metric for the next board meeting that displays what percentage of students are tardy.

The board discussed imposing disciplinary actions for chronic tardiness. We currently have incentives for arriving on time, but no consequences for being late. Jill and Sara will discuss what this could look like and report back to the board.

## **C. Academic Data Presentations**

Gary is assisting with parent-teacher conferences this evening, so Jill shared recent academic data with the board.

**\*\*\*note to self\*\*\* *review data in agenda and provide metrics in same format as last month***

Jill noted that Pinnacles Prep is exploring shifting applied math into a CTE framework, which would require an updated curriculum. We are also exploring moving the junior year college counseling course into CTE.

Rick asked if any Pinnacles teachers are CTE endorsed. There is one teacher currently endorsed, but are exploring an assistance pathway for other teachers who may be interested in obtaining the endorsement.

Jill noted that there are Pinnacles scholars who have been attending the Wenatchee Valley Tech Center enrolled in CTE programming but have been denied and unrolled for next year. This is because Pinnacles Prep is not part of the Wenatchee Tech Center consortium. We will be exploring a pathway to become part of the consortium.

## **D. High School Vision**

Jill provided an overview of graduation pathways

Rick shared that we are preparing to launch the annual school leader review process after spring break. Because we now have two school co-leaders, we will be modifying this process to reflect this.

Rick noted that while it would be ideal to have had an AI policy this year, we do not want to rush. Therefore, we are hoping to begin diving into an AI policy in the coming months to be prepared and adopted before next school year.
