#### Updates

- Tessa & Arroya resigned. We have a potential fill for English position from pool that previously interviewed for the English pool.
- Singapore math training dropped due to high costs. Potentially having Claire as the math coach train teachers that need Singapore training. Michelle is looking into new options to ensure the staff has the training they need.
- Equity, Civil Rights & SIOP Training. Working with ODE & NWRES
- BSD Restorative Justice Training - Michelle is able to attend. BSD has 2 staff members on assignment that focus on that. Looking into whether they can come to our school.
- Possibly translate staff manual into Spanish
- Classroom management training
- PE minutes - Kinder or 1st grade teachers possibly taking on 1 class of PE due to restraints of gym space

### **B. 2018-19 School Survey**

Reviewed and discussed any stand out comments from the annual survey.

- Science program comments from parents
- Student Response for MS behavior a concern, need review and reminders of behavior expectations. Classroom management training through the grant.

Christa presented the quotes Becky obtained on the furniture purchases. She explained why these are not the final quotes, as it was a presentation to show that we have obtained 3 quotes. Plan is to potentially purchase from 2 suppliers and when you remove costs from one supplier it increases the costs of the remaining items. Will seek input with Michelle to ensure the purchases are what staff needs.
