### **A. Executive Director's Report**

Executive Director Michelle Herron invited Ms. Nadya Ruiz, Teacher, to share a letter from the staff. Ms. Christa Billings read the letter from four staff members regarding staff morale. Lunchtime break cut into separate 15 minutes increments. Requested to add 2 instructional assistants to provide breaks for staff. Ms. Nadya Ruiz shared a statement on her experience with the breaks and its impact. Ms. Christa Billings responded that staff absolutely must have 30 minutes uninterrupted; that is the law.

Executive Director Michelle Herron shared that AISIS does not currently have the resources do both uninterrupted breaks and supervised recess; state mandated PE requirements play into this equation.

Board asked what other schools are doing; Executive Director Michelle Herron shared that they are doing the same.

Board discussed volunteer recess supervisors, which would be helpful but not fully reliable. Discussed a solution for lunch K-5, don't see one for recess and PE. Board asked if we still have open applications for staff positions; student teachers as an option; hiring a part-time position. Executive Director Michelle Herron will pursue hiring part-time position immediately.

**ACTION ITEM:** Add standing agenda spot for Staff.

Executive Director Herron continued her report at 7:35pm, following the PTO report, including personnel updates, staffing, snow days and PTO, after school programs, rental agreements, summer camps, and language proficiency testing.

ACTION ITEM: Executive Director Herron will explore pre-paying vendor for professional development and substitute coverage to qualify under the grant requirements.

ACTION ITEM: Mr. Mario Barron to research parking lot drainage status and options.

ACTION ITEM: Executive Director Herron will bring a proposal for language proficiency testing.

ACTION ITEM: Executive Director Herron will post the part-time recess supervisor position.

## IV. Finance

### A. Treasurer's Report

The Treasurer's report was presented by Mr. Rob Timmons:

#### **Treasurer's Report**

- o Average Daily Membership per week (ADMw) received for August: \$196,657
- o Total income for August was \$368,734
- o Cash balance for August was \$1,451,722
- o Accts Receivable for August was \$82,000
- o Net gain for August was \$125,852

Regarding YE 6/30/19, our new auditor has sent over an initial draft of the financial report for Finance Committee review. However, it is reasonable to expect that our financial outcome will not change much in the final draft. Here is a very summarized outline of our YE Profit & Loss report:

Total Income: \$2,944,022 (compared to \$2,539,088 in the prior year)

Total Expense: \$3,470,818 (compared to \$2,074,978 in the prior year)

Net Loss: \$(526,796) (compared to \$464,110 in the prior year)

Debt Service Ratio (DSR) (est): 1.75 (covenant is 1.10)

The large net loss is attributed to the need, per GAAP, to recognize the full interest expense for the Year 1 bond payments, which totaled \$663K, even though per approved payment schedule, we did not actually pay that. The amount we paid was about \$168K. The rest was funded out of the bond's interest reserve account, specifically set up to assist the school either in its initial year or two of adjustment, or as a rainy-day fund in subsequent years.

The all-important DSR calculation allows us to take the net gain or loss, and add back interest and depreciation, and divide against our obligated *scheduled* debt service. Which allowed for a relatively solid DSR, but for the 2018-19 transition year *only*.
