## V. Finance

### A. Treasurer's Report

Mr. Rob Timmons presented the Treasurer's Report:

- o ADMw received for October: \$301,551 - This is the first payment that reflects our current enrollment numbers
- o Total income for October was \$366,521
- o Cash balance for October was \$1,404,544
- o Accts Receivable for October was \$162,294
- o Net gain for October was \$95,585

I am also attaching a copy of the enrollment funding report, so that you can better understand how this primary source of our income is calculated. Please make note of the following highlights:

425.7 - Student enrollment (based on September count)

22.40 - the added "weight" credit tied to our students in poverty and students in the English Language Learner program.

Total: **448.10**

This is multiplied by the Oregon Dept of Ed allotted charter rate of \$8,347/student, which equals \$3,740,291. Arco Iris gets 80% of that (see "SSF flow Through Rate for K-8"), or **\$2,992,233**. Beaverton School District keeps **\$748,058** as an alleged cost of supporting charter school students in various areas such as Special Education.
