E. Hatch	Aye

The Board thanked Ms. Mary Taylor for the opportunity.

**B. Staff Agreement**

Executive Director Michelle Herron presented the candidate for staff agreement. The Board inquired about licensure, language proficiency, and other charter requirements. This hire requires a charter registry spot; there would be three more remaining within the 50% licensure requirement.

E. Hatch arrived.

S. Stevens arrived.

M. Barron made a motion to approve Yamilet Alas' employment agreement and extra duty agreement.

L. Anderson seconded the motion.

The board **VOTED** to approve the motion.

R. Christopherson	Aye
S. Trivedi	Absent
C. Billings	Aye
E. Hatch	Aye
L. Anderson	Aye
M. Barron	Aye

**C. ReOpening Guidelines**

**D. 2020-2021 School Calendar**

Executive Director Michelle Herron presented three versions of the 2020-21 school calendar.

S. Stevens made a motion to adopt calendar version 3 for school year 2020-21.

L. Anderson seconded the motion.

The board **VOTED** to approve the motion.

**Roll Call**

L. Anderson	Aye
M. Barron	Aye
C. Billings	Aye
S. Stevens	Aye
R. Christopherson	Aye
S. Trivedi	Absent
S. Marx	Aye
E. Hatch	Aye

**III. Academic Excellence**

**A. Executive Director's Report**

Executive Director Michelle Herron presented the following Report:

### **1) Information to Share Student Achievement**

- **Middle School math adoption - Big Ideas**
  - **Information from Elise**
  - **Hope Chinese uses this program as well and they are happy with how it aligns with Singapore Math in K-5. Catlin Gabel also uses it, but they are thinking about switching to something more inquiry based.**
  - **Communication to families?**

Executive Director Herron presented a Big Ideas as the proposed middle school math curriculum, which was proposed by herself and Maestra Elise Courand.

The Board noted that the mission statement may need to change to reflect the usage of Singapore Math. The Board asked about cost, which is comparable to previous curriculum, and discussed the gaps this fills.

### **Climate and Culture**

- **Seven staff members are high risk or have family members who are and have high levels of concern about returning based on the survey I did before school ended. I've spoken with Marguerite about their FMLA options.**
- **Helping staff and students adapt to new routines will take time. I'm suggesting we make adjustments to the calendar to allow for a slower transition back to school.**
- **Virtual tours and individual visits for new students and families? Back to School Night before school starts.**
- **I'd like us to host Q & A sessions for parents similar to what BSD did as soon as we feel like we have a more solid re-entry plan.**

### **Professional Development**

- **All staff meetings and PD will be virtual until it's safe to be back in the same room. Our focus will be on effective distance learning strategies. I'd also like to subscribe to the Charlotte Danielson network for tutorial videos that could be used in place of peer observations.**

### **Hot Topics**

- **No early start in August per BSD SpEd dept. Based on new developments with transmission rates, this is probably a good thing**
- **CARES Act - we are projected to receive \$42,803 based on 10/1/19 enrollment of 429. We'll get a final figure in August. This money can be used for all**

**COVID related expenses incurred since 3/13/20. We have to submit our budget by 9/30.**

- **Grant spending - I am connecting with Kate Pattison next week to discuss changing our original spending categories. We have ~ \$250K left to spend and we are planning to use it on technology, curriculum (with an emphasis on digital resources), and furniture for the new section of 1st grade. Our technology goal will be to provide 1:1 devices for kids and we are looking into using iPads for grades K-2 instead of Chromebooks because they are easier to use. We also plan to purchase Swivl recording systems for every classroom so teachers can easily record their lessons. If we have enough money left, we may also be able to**

## **2) Seeking Input**

- **Calendar revisions - changes made to balance instructional time between cohorts, minimize disruption of in-person attendance days, provide transition time at the beginning of the year.**
  - **Version 1 - Distance learning in Dec.**
  - **Version 2 - Extra week in Sept. for family transitions**
  - **Version 3 - All of the above. Note - we could add back in-person learning in Dec. if the situation improves.**
- **Reopening Blueprint - The advisory council has been meeting to talk through all the issues and we've received some cleaning and sanitation guidance from the health department. There are lots of details and the advisory group will meet weekly (or more) until we get the blueprint in "final" form. The state will release additional guidance on July 21 and Aug. 1. We need to be planning for simultaneous onsite and distance learning, which is very challenging for staff.**
  - **Safety measures**
    - **Staggered arrival and dismissal. Multiple entrance and exit points.**
    - **Cohort management (attendance, location, classroom, intervention groups)**
    - **Physical distancing routines**
    - **Handwashing (need soap and water hand washing before meals, which means we need more access to water)**
    - **Playground schedules for recess and PE**
    - **Bathroom schedules and access limitations**
    - **Protective equipment for staff and students**
    - **Isolation room**
    - **Daily contact logs**
    - **Health dept reporting**
  - **Instructional considerations**

- **Attendance and grading will be back to “normal”. Teachers need evidence of daily contact with students**
- **Providing adequate time for teachers to connect with students who are learning from home. BSD is shortening their instructional day by 45 mins to 1 hour to provide time for this.**
- **We need to develop guidance for teachers on expectations for distance learning for students who attend in the hybrid model and for those who do all remote learning.**

Board discussed instructional time, how it presents in hybrid model, and emphasized the critical importance of Spanish instruction.

- **Ongoing communication with families about reopening plans, collecting input on preferred attendance days.**
- **Feedback on my goals**

### **3) Decision Needed**

- **Calendar**
- **Daily schedule adjustments**

M. Barron made a motion to adopt the middle school math program Big Ideas.

S. Stevens seconded the motion.

The board **VOTED** to approve the motion.

#### **Roll Call**
