III. Academic Excellence

A. Executive Director's Report

Student Achievement

- We are presenting our annual performance report to the BSD board on Sept.
 27. The bulk of this report typically consists of state assessment data.
 Because we had less than 50% of eligible students take the assessments last spring, we do not consider this to be valid data so we will not highlight this information in our report.
- We plan to do our first round of preliminary assessment in math, English and Spanish later this month. This information will help teachers design targeted instruction and interventions.

Climate and Culture

- Back to School Night next week. Hoping to get feedback from parents.
 School working to address the technical issues with communication out to families.
- It continues to be very difficult for us to find subs, have to use internal coverage which can be disruptive.
- We added electives to the middle school schedule twice a week. Our regular teachers are providing these classes, and students are divided into 4 groups during their electives rather than 3, so class sizes are smaller. The classes this Fall are Flamenco, Yoga, Theater and Destination Imagination, which is a national program to engage students in creative problem solving.

Professional Development

- We are having some trouble accessing the BSD professional development online registration and resource tool. We are working with them to try to get the problems resolved. This has been an ongoing issue for years.
- We are using Google Classroom as an internal tool to deliver teacher professional development.

Hot Topics

- We submitted the request to BSD for a temporary shift to 50:50 immersion ratios in our elementary program. It will be voted on at their business meeting in October.
- Updates on school Covid data and how school will report any exposures to the school community.
- · Updates on hiring for 1st and 4th grade
- Enrollment updates. Currently at 404, doesn't include kinder CDL.
- Chris will update board at next meeting regarding updates to our safety procedures. He is collaborating with BSD safety team and law enforcement.

Seeking Input

- Discussed start of Charter Renewal process. Michelle will create a committee to support the process.
- Discussed updates on Gap Donation request, and best ways to communicate info to parents.
- Chris researching ways to maximize our grassy outdoor spaces so it is usable during rainy season. Board open to exploring options.

Decision Needed

- * Early application period for 1st grade for 22-23
- * Capping middle school classes at 28 for the 21-22 school year (versus 30) to support social distancing. Board in support of this.
- T. McCoy arrived.

B. Lottery

- S. Trivedi left.
- S. Zephirin made a motion to Add an early 1st grade lottery on November 12th, 2021.
- E. Hatch seconded the motion.

The board **VOTED** to approve the motion.
