**III. Executive Director**

**A. Directors Report**

**Student Achievement**

- State testing is in progress...started this week. We will test through the end of May. This is the first time since the 18-19 school year that we'll have comprehensive results. Our middle school students are the only ones who have prior test scores from 18-19 and it will be tricky to do comparisons because many of them have left.
- Final round of EasyCBM in progress so we'll have an internal apples to apples measure of student progress during the year
- Summer school will happen, but for a shorter period of time due to staffing limitations. We'll focus on students who need additional remediation

## Climate and Culture

- Covering absences is an ongoing challenge
- We've had to limit non-medical Paid Time Off requests to one person per day due to coverage issues, and this is not a popular policy with the staff
- Upcoming Movie Night and school tours!

## Hot Topics

- State retention funds will be available to us and our portion is ~\$46K. We will apply for these funds directly (not through BSD) and we do not yet have guidelines for the application process. However, we know it will need to include staff input, so we plan to take some of the options we've discussed at the board level to the staff for their consideration. These measures include a re-signing bonus and family insurance coverage. The funds available are not enough to allow us to significantly increase salaries.
- Interviews in process for new administrative assistant and J-1 Visa candidates. Job postings out in Puerto Rico.
- We know of several staff member resignations for next year.

## Seeking Input

- **Strategic plan next steps**
  - Chris and I worked on a draft [action plan](#) tied to each pillar. Our thought is to do this for each pillar with the board taking the lead role in determining the action steps related to Financial Stability.
  - We'd like to create goal statements for each of the outcomes we hope to achieve through our action steps.
  - We need to create a timeline for implementation because we cannot do all of these in one year.
  - We would like to start next year by having a conversation with staff about the action steps that will be implemented during the year to get buy-in and provide clarity.
  - We need a monitoring and revision plan.

## Decision Needed

- New employment agreement for [Ana Paulina Godoy Sanchez](#) from Mexico. She will qualify for either a J-1 or a J-2 visa because her husband will be working for the Hillsboro School District. She has two daughters who will attend Arco.
- Approval of employment agreements for [returning teachers](#). (Note - I made a mistake on the date for the 22-23 employment agreement and didn't find out until after they'd been signed, so I sent an [addendum](#)).

- We used our new HR system to send Employment Agreements this year, and a couple of people have not completed the signing process so I cannot share their agreements electronically. They are:
  - Tania Alonso, Spanish homeroom teacher, \$66,852
  - Pratima Sharma, math teacher 5th - 8th grade, \$42,363 (.75 FTE)
- Free yearbooks - 1 per family. Approximate cost \$2000. We will again give families the option to order extras and we'll request donations to help offset the cost of providing one free book to each family.
  - Already approved by finance committee
- 10 day drop waiver request - kindergarten family. We have a waitlist from the lottery and would have to offer his spot for next year if he is dropped.
  - Board vote on approving the waiver request
- \$5000 signing bonus for PE teacher from Belize + \$3000 extra duty contract for after school sports classes. The EDC money will come from re-allocating some of the contracts we issued this year, but the signing bonus is new money. This teacher is a super strong candidate with a background in professional sports and she is very eager to create an after school sports program.

S. Zephirin made a motion to Approve the employment contract for Ana Paulina Godoy Sanchez for the 2022-2023 school year.

S. Stevens seconded the motion.
