**III. Executive Director**

**A. Directors Report**

Academic Excellence

- The Leadership Team developed a schoolwide assessment calendar that we will implement next year. We have been doing most of these assessments in the past, but not in such an organized way.

Staff Training and Retention

- We are expecting 25 people to return next year, not counting Chris and Michelle.

Community Engagement and Positive School Culture

- Our last Familias Unidas meeting was fairly well attended. Families had a lot of questions about safety issues in the wake of recent tragedies and the Beaverton Police Department helped to answer those questions.
- Some parents asked about improving our security cameras and we'd like to investigate this more thoroughly next year.
- We will continue our classroom equity audit work in August.

Financial Stability

- Kudos again to Erin and the entire board for making a compelling argument to BSD to increase our funding to 85%! This will have a very positive impact on our future financial stability.

#### Hot Topics

- We are still looking for a 2nd grade teacher (one hire is pending), an administrative assistant and an instructional assistant. This is a much better position than we were last year at this time!

#### Seeking Input - Nothing this month

#### Decisions Needed

- \$1500 (after tax) re-signing bonus to be paid in September using funds from HB 4030. Board would like language on stipend to include info on what happens if teacher leaves their position mid year.
- Eliminate the 10 year cap on experience for salary placement for new hires (local and international)
