C. Staffing

Board discussed options to meet our staffing needs while also meeting our charter. We are still short 3 teachers with school starting in two weeks. We have no viable long term subs through our sub service (Spanish or English speaking). Board considered several options, none of which are ideal. Our challenges include lack of qualified Spanish speaking teaching candidates, general staffing shortages related to Covid-19 pandemic, and our inability to compete with salary schedules of other schools. This difficulty in hiring is unprecedented in Arco's history, and Board does not expect this to last beyond the current school year.

Board discussed need to apply for a one year temporary charter waiver to BSD to give us more flexibility with the 80/20 Spanish language requirement. Parents would be notified if their grade level needs to receive less than 80% instruction in Spanish.

S. Zephirin made a motion to Close one section of in-person kindergarten for 2021-2022 due to lack of qualified staffing. Families in that class will be offered a year long spot in CDL.

S. Stevens seconded the motion.

The board **VOTED** to approve the motion.
