III. Executive Director

A. Director's and Assistant Director's Report

Academic Excellence

- Progress Reports to go out after conferences (Grading day was on 11/10)

Staff Training and Retention

- Chris summarized staffing updates including coverage for upcoming planned leaves and new hires. Still recruiting for teachers. Have one spot to fill (replacing Ms. Wiley when she leaves in a couple of months).

- PSU student teacher is with us November-March. Teaching in 4/5 and 7/8
- Chris and Michelle are sharing the load on staff observations and evaluations through Danielson Rubric. This is more strategic and purposeful than last year. (Michelle)
- 11/23 Inservice staff PD will include 3 hrs. of equity training and 3 hours of data team work. The equity session will be led by a 3rd party, *Community Connection Consulting*, and will include identifying implicit bias and engaging authentic and meaningful dialogue around race
 - Josh shared wondering about the specific material being covered, and whether the implicit bias test research was being used. There are some academic disagreements about the application of this research.

Community Engagement and Positive School Culture

- 11/8 Familias Unidas meeting. Great turnout (40+). No one received additional feedback after the meeting from the community.
- Staff Leadership Team is working on:
 - Positive recognition system for individual students and whole class
 - Student academic showcase/family cultural night in the spring (connected with fundraiser?). Possibility of accessing members of the community to support this effort.
- Miguel Ariza- husband of one of our visiting teachers from Spain - works as an educational consultant in Spain <https://conecta13.com/>. Provided 'Respect' workshop for our three 1st grade classes. It was culturally rich and relevant instruction. He will return in March for more (phase 2). He will interview staff as part of a research project for educationally sound programs as they relate to Social-Emotional Learning. Possibility that Arco Iris SEL efforts may be published as part of the project (pending consent from participants).
- Parent/Teacher conferences (11/21 and 11/22). These will be virtual via Zoom and will include one evening session to support working families.
 - BSD 6th grade Pathways: We hosted a 5th grade family Q&A session on 11/10 with BSD representatives. One change this year is that out of district families will not have pathways to BSD DL middle schools. Out of district families can apply thru a hardship transfer.
 - Board suggested we reach out to neighboring districts (Hillsboro, Tigard, PPS) about access to dual language programs. Who is the best point of contact for families in those districts?
 - Chris to work on a FAQ sheet to clarify common questions for 5th grade families (transfer process, transportation, etc).
- Saturday December 3rd, 2-7pm: Arco will be represented at an event "Nuestra Navidad" in Portland. Free event.

Financial Stability

- [Aligning for Student Success](#). This is a new name from ODE for the grant application process which now integrates multiple funding streams, including the Student Investment Account (SIA) into a single form. (Michelle)
 - We would qualify for up to \$555,234 between 23-25 SY
 - Money can only be used for specific uses
 - Application due in late March
 - Community Feedback is required. Michelle presented tentative plan for gathering feedback.

Hot Topics

- 2 trees along the back of our property will be removed and the chips will be hauled away. We eventually will need to replace them.
- 2nd/3rd grade tulip project. Bulbs will be planted around base of trees soon. Parent donated the bulbs.
- Next step for playground project is for Josh to apply for a pre-submittal conference with the city of Beaverton.
- Radon test completed in November. We are all good. https://drive.google.com/file/d/1AEVlch80mahH5bn2RLVlt5knn9N69erb/view?usp=share_link

Seeking Input

- Chris open to feedback on beautification projects.
 - Christa suggested getting better signage for the outside of the school. Does require a design use review.
 - Making more functional outdoor spaces
- ESS rates are competitive with other districts, but securing subs is still problematic. Other districts offering 'bonuses' to those who fill more than 2 spots in a time frame (1 week, month, etc.). Any 'creative' ideas outside of ESS?
 - Send out specific recruitment email to the school community.

Decisions Needed

- Covid Relief 'PTO'. When testing + for covid, employees required to stay home 5 days. They should receive pay w/out using their own PTO. *Requesting to pay employees for time out due to Covid quarantine requirements, not from their own PTO.*
 - Board discussed capping days at 5 days per school year with a positive Covid PCR test.

S. Zephirin made a motion to approve up to 5 days of paid leave for Covid positive staff members, per school year, with PCR test verification.

E. Hatch seconded the motion.

The board **VOTED** to approve the motion.
