III. Executive Director

A. Director's and Assistant Director's Report

- Jesús reviewed school learning plan we discussed last meeting
- **Academics**
 1. Welcomed new team members this week. Reviewed foundational information to support the 23-24 school year kick off
 2. Exploring a grant for adoption of Early Literacy Curriculum (offered by ODE)
 - Met with ODE to find our options.
 - ODE will cover 75% of the costs of the program. Specifics:

- \$61,000 to purchase a program the 1st year this is offered
 - \$64,000 the second year
 - We are exploring HHM Curriculum. We are in the process of getting samples for their HHM curriculum.
 - Reason:
 - HHM has a Spanish component that has been highly recommended by other schools called Arriba La Lectura.
 - We would like to find a curriculum similar to what we have for Math for our Spanish Immersion program and for ELA that all teachers can use (curriculum alignment).
 - Links to resources for this grant shared with board
- **Empowerment (Staff Training and Retention)**
- Hiring efforts continue
 - Needs: 2IA's, Admin Assistant, 1Middle ELA/Math teacher (recent resignation)
 - Recent hires: 1 IA, 1 in school sub/interventions support
 - Challenges
 - Challenge #1: Not enough applications for the IA position to fully support our program and also BDBT
 - Proposed solution: Adding two stipends to our budget to offer after and/or before school opportunities to our current team members (teachers)
 - Stipends:
 - After care:
 - \$18.10 hourly rate x 2 = \$36.20 for after care
 - \$36.20 x 170 days = **around \$6000 (proposing two candidates)**
 - Before care:
 - **\$3000**
 - Challenge #2: Recent resignation of a team member supporting middle school, and 5th ELA and/or Math.
 - Proposed solutions
 - Explore the option of **eliminating 8th grade**.
 - Offer **remote instruction** for 8th grade math and ELA. This would involve paying Proximity learning, and then a proctor to monitor the room.
 - We can **explore ESS**:
 - There have been many challenges in the past with filling these positions. They are temporary, and often
 - Discussion:

- Board member asked if we can bus 8th graders to Conestoga for math.
- Board member asked about what legal options we have with a signed contract
- Board discussed possible financial impacts, school community impacts, and impact on our ability to fulfill our commitment to academic excellence for 8th grader class
- Next steps:
 - Jesús will contact 8th grade families to share current challenge and ask for feedback
 - Board will hold a special session meeting on August 18th to make final decision

• **(Engagement and Equity) Community Engagement and Positive School Culture**

- We have been sending weekly newsletters to our families with information regarding:
 1. Meet the teacher event
 1. Board member gave feedback that it is challenging for families to attend during the daytime. Another Board member shared that many other schools in BSD follow a similar schedule.
 2. Orientation recording
 1. Board member noted that this was not offered in Spanish. Jesús made note to change this for next year to align with our equity goals
 3. Special schedule for Kindergarten students (staggered schedule or “Gentle Beginnings.”)
 1. Board member gave feedback that some schools offer kinder student beginnings during summer or week before school. That way kinders can start on day 1, which is more convenient for families who have more than one student.
- We are doing the same to communicate upcoming dates and events to the team.
 - Consideration to bring back coffee with the principal
- Brief discussion on how we measure community engagement, at request of board member
- BTSN occurs on Sept 19th and 21st
 1. Scheduling conflict with our Board meeting also happening on the 21st
 1. Board agreed to change the time of the meeting on 21st to 7-9pm, after back to school night is over

• **Financial Responsibility**

- **Enrollment for 23-24 is at 428 (-3) students in grades KN-8.**
 1. 2 KN students
 2. 1 8th grader

- Waitlist only for Kinder at this time (97 students). We have released seats in KN.

S. Zephirin made a motion to approve the stipends for BDBT as presented.

Y. Jones seconded the motion.

The board **VOTED** to approve the motion.
