IV. Executive Director

A. Director's and Assistant Director's Report

Strategic Plan: All of our actions and subsequent work are tied to the 4 Pillars addressed in our Learning Plan:

1. Academic (Excellence)

- Our work during the month of September regarding Academics has been grounded on:
 1. Welcoming our students and families with a focus on:
 - Building strong and joyful personal relationships using our [Responsive Classroom approach](#).
 - Responsive Classroom supports building a joyful and safe classroom and school community via positive reinforcements and through modeling expectations we want our students to embody.
 2. Diving into the Early Literacy Curriculum samples we received to make a decision re: our adoption of curriculum to support our Spanish Immersion and ELA programs (offered by ODE)
 - Reminders: ODE will cover 75% of the costs of the program.
 - We are exploring the "HHM" Curriculum.
 - It has a Spanish Component ("Arriba la Lectura"), also for all grades KN-5th.
 - Our goal this year is to explore a program and adopt it next year for all grades - for consistency and alignment purposes.
 3. Welcoming families during our Back to School Nights.

See [presentation](#) here.

 - *By the time this report was shared, our first BTSN event had occurred on 9.19.23.*
 - *Learnings from our 1st night:*
 - *Review offering child care next year.*
 - *Sharing norms of engagement*
 - *Shorter presentation*

4. **Submitting some of the initial reports to BSD and ODE, including our [September Performance Report](#).**

- *I would like to briefly take a moment to celebrate our student's growth based on Oregon's State Assessments from SY 22-23, which was included in our September report. See snapshot of data and also language included in the report, below.*

Fantastic work by our students and team members!

- The public can access the Arco Iris State Assessment Scores on the ODE website

2. **(Empowerment) Staff Training and Retention**

- We successfully hired Kathy McKenna to support our middle school students for Math and ELA.
- Hiring efforts continue.
 1. Current needs:
 - 2 IAs
 - Currently interviewing 3 candidates this week.
 - Extended 1 offer today
 - 1 Administrative Assistant
 - We sent an offer letter to a candidate this week. We are waiting for their response. Tentatively will join the team in October. Excited to have a new team member in the office to support our current team, especially with Buenas Tardes needs.
- How we are currently adapting to our 2 IA vacancies:
 1. We offered 2 stipends (previously approved by the Board) to 2 of our classroom teachers who agreed to support our program from 3:30 - 5:30 pm.

3. **(Engagement and Equity) Community Engagement and Positive School Culture**

- Communication with our community is key. These are some types of communication that remain the same from prior years, and some adjustments in our communication for consistency purposes:
 1. Weekly admin/office newsletters
 2. Bi-monthly (twice a month) classroom newsletters from teachers.
 - Our goal is for all classrooms to have consistent practices.
- Recurring and upcoming events:
 1. Coffee with the Principal (1st Friday of every month)
 2. Move-A-Thon coming up in October.
 3. AFG kick-off in November
 4. We are in conversations with our Student Success Coach to bring more family engagements/cultural celebrations tied to our multicultural mission. This is one more area of focus for this year, and our goal is to create more opportunities for cultural celebrations (TBD).

4. **Financial Responsibility**

- Enrollment for 23-24 is at 422 students in grades KN-8.
 1. 6 less students since last report.
 2. Board asked if we track the reasons a family is withdrawing. This may be helpful data for improving our programming in the future
- Waitlist mostly for Kinder at this time. We have released seats in KN.
 1. 95 students in KN wait list
 2. Total waitlist K-8th: 107
