### A. Approve Meeting Minutes: March 20th

The board **VOTED** to approve the motion.

### B. Charter Application

Jesús is nearing completion with the charter application with Tigard Tualatin School District. Christa is hoping to find a professional to review before we submit. Submitting the application does not mean we have to open a new location. But approval of the application would allow us to explore properties and financing to determine if expansion is financially viable.

S. Zephirin made a motion to allow Christa Billing and Jesús Urdiales to file a Charter Application with Tigard Tualatin School District.

A. Nelson seconded the motion.

The board **VOTED** to approve the motion.

### C. Amend the Articles of Incorporation and Bylaws

A. Kusaba made a motion to approve the Articles of Incorporation and Bylaws, as presented.

S. Zephirin seconded the motion.

Only a change in language to "One or more schools" which allows room for any future expansion

The board **VOTED** to approve the motion.

## SIA Grant Submission

Jesús reviewed the draft of the SIA grant application with the Board:

<https://docs.google.com/document/d/1kE-wrGzfcqrRB6CRkc0p2ITfzQ2d2Y5Q6bOmsb1ILu4/edit?usp=sharing>

Our plan is relatively simple, but the investment in support personnel that will be possible as a result of these targeted funds will have a broad impact on students and families. In summary, we plan to use the SIA funds to pay for a school counselor and for four and a half bilingual instructional assistants. These strategies specifically address the Student Investment Account allowable uses of improving student health and safety, and reducing class size. We plan to use the EL funds to partially fund a reading intervention teacher who will provide high dosage tutoring and to pay for targeted professional development for staff.

S. Zephirin made a motion to approve submission of the SIA and Early Literacy grant, as presented.

A. Nelson seconded the motion.

The board **VOTED** to approve the motion.
