Dress Code Policy Revision

Proposed policy change to dress code from: "No hats or head scarves to be worn in class unless otherwise noted or approved by the office" to "Hats or head coverings (such as scarves or hoods) are not permitted in class unless they are worn for religious, cultural, or medical reasons, or have been otherwise approved by the office."

Jesús noted he already updated the language shared in a recent newsletter after working directly with a family. Plan to update the dress code language in student handbook this summer.

Board will vote on this proposed policy change at next meeting.

D. Proposal: Increase Payout for Unused Paid Time Off (PTO)

Jesús proposed to increase the payout for unused PTO from \$100 to \$200 for full-time teachers. For classified staff/IA's, \$150. The goal of this increase is to encourage better attendance during the final two months of the school year. From a budget standpoint, the costs should be relatively neutral, as we're already spending an average of \$300 per day on substitutes to cover absences.

D. Siver arrived.

E. Hatch made a motion to increase the per day payout for unused PTO to \$200 for full-time teachers and \$150 instructional assistants.

S. Badawi seconded the motion.

The board **VOTED** to approve the motion.

Jesús worked with our accountant to create a hourly salary table for instructional assistants. The increase in pay for classified staff totals \$18,000. Jesús has a plan to make room for this in the budget.

C. Billings made a motion to approve the 25-26 employment agreements, as presented, including the discussed update on PTO payout for one of the classified agreements.

Academic Excellence

- State and internal assessments in process thru mid- May
- Follow up contact with families based on data analysis and internal conversations regarding additional supports for students

Staff Training and Retention

- **Hiring**
 - Conducted the first round of interviews for our Kindergarten and P.E. positions. Next round will include a demonstration lesson in classrooms.
- **EOY Opportunity for feedback**
 - An end of the year anonymous survey (feedback form) was shared recently with our team (both licensed and classified). Asked 3 questions: what went well, what are areas for growth, and how supported they feel. Jesús reviewed the results from this survey, and compared it with last year's results. There was a slight decrease in feelings of support from last year to this year. This may be related to the new reading curriculum, issues around using PTO, and salaries. Next year, Jesús plans to expand our staff training

opportunities thru the NW Regional ESD. We also increased cost of living by 5% and increased payout of unused PTO.

Community Engagement and Positive School Culture

- **Current and upcoming events**
