IV. Executive Director

A. Director's Report

I. Academics

• First 4 weeks of school:

1. We are supporting our students these **first 4 weeks of school** by following an approach known as Responsive Classroom (RC).
 - RC provides opportunities to build meaningful and caring relationships in classrooms. It helps set the foundation for a successful school year in terms of systems, procedures, and transitions for students.
2. The first 4 weeks of school are crucial for our team to build relationships and practice classroom expectations. September 24, 2024 is the 1st day of school where our regular schedules are fully implemented and when student interventions commence.

II. Team Training and Retention

• Team Training (SDW)

1. Our first Staff Development Workday (SDW) occurred on September 23rd.
 - Our first training focused on best practices for small group instruction.
 2. As mentioned above, our official interventions (small group instruction) started on September 24th.
- Our next two training sessions for the year will focus on our new ELA/SLA curriculum and Singapore Math. These will happen October 11 and December 9, respectively.

III. Community Engagement and Positive School Culture

• Community Engagement:

1. We started the year with our first Coffee with the Principal and Cafe con el Director events. This year we are offering two opportunities for families to hear about our school and provide timely feedback. Both events were well-attended, and we offered a Zoom link for families to join virtually, too. About 30 people attended in person and 10 attended virtually our Coffee with the

Principal event, and about 8 people attended in person and about 4 via Zoom our Cafe con el Director.

2. We have two more opportunities to engage with our families during the month of September.
 - BTSN events occurred last week, on September 17 and 19.
 - We have an upcoming celebration at the end of the month to celebrate Hispanic Heritage Month (September 27, 2024). Our team will be sharing information re: their culture and countries with families. There will be food, music, and a performance, as well.
3. Regarding family connections/newsletters: we commit to sending school-wide newsletters once a week and teacher newsletters twice a month.

IV. Financial Responsibility

• Grant opportunities - updates

1. Arco Iris continues to partner with FundEd for more grant opportunities this year. We are submitting grants for technology and STEM at the start of the school year.

• Enrollment for 23-24

1. Total enrollment for the year and current projections:
 - 2024-25: 421

V. Finance

A. Treasurers Report
