| Scope of Services: | <p>The philosophy of our Back-Office Services is that we provide outsourced solutions so your school can focus on its educational mission. Moreover, you receive the benefit of our extensive experience with California Charter Schools.</p> <p>1. FINANCE and ACCOUNTING</p> <p>Budgeting:</p> <ul style="list-style-type: none"> ▪ Annual and multi-year budgets including cash flows – For existing clients, EdTec works with the school leader to create annual and multi-year budgets in time for submission to the State by July 1, and for new clients entering their first year of operations, in the spring or when services begin, EdTec will review the school’s budget in time for submission to the State by July 1. EdTec strives to ensure that the annual budgets are strategic documents that capture the operations and direction of the school. ▪ Budget revisions (as needed, on demand) – EdTec revises budgets as needed to reflect changing circumstances at the school or in State funding. ▪ Updated monthly budget forecasts – EdTec tracks budget to actuals and updates the budget forecast on a monthly basis (if forecasts move materially off budget, we recommend a budget revision). <p>Financial Statements:</p> <ul style="list-style-type: none"> ▪ Monthly year-to-date financial statements – EdTec prepares YTD financials compared to budget in time for the regularly scheduled board or committee meeting. EdTec makes the financials and presentation electronically available ahead of the meeting. For schools with board or committee meetings on or before the 15th of the month, EdTec will furnish the financials and presentation in time for (but not in advance of) the meeting. For schools with board or committee meetings on or before the 10th of the month, EdTec will furnish the financials and presentation (for the month prior to the previous month) ahead of the meeting. ▪ Monthly cash flow projections – EdTec monitors the school’s cash position and tries to anticipate any cash shortfalls in future months so the school can adjust spending accordingly or attempt to secure cash flow loans. ▪ Financial statement analysis (monthly) – In addition to financial statements, EdTec provides a succinct PowerPoint summary and analysis of the financial statements so Board and staff can quickly focus on the salient financial issues facing the school. |

- **Customized financial analysis** – EdTec performs reasonable financial analysis that the staff or board requests, e.g., providing a comparative analysis of the school's budget relative to industry norms, scenario modeling (within reason), or fulfilling a request from the authorizing entity. Accounts Payable & Receivable:

- **Revenue verification** – EdTec verifies that the school is receiving the correct amount of funds from State and Federal sources.
- **Revenue collection** – If the funds from the State or the county/district are not correct, EdTec tracks down the appropriate officials and alerts them of the problem. EdTec will use reasonable efforts to negotiate on behalf of the school in disputes with funding agencies over improperly calculated payments.
- **Accounts payable** – EdTec processes all invoices and, pending approval from the school leader or surrogate, pays the bills and codes them, based on school input, in the financial software, typically on a weekly schedule with limited rush payments as needed. EdTec checks to make sure there are no double payments or double billings on multiple

6. COMPLIANCE and ACCOUNTABILITY

- Note that compliance and accountability are the responsibility of the school. EdTec will provide advice on some matters, but this information is not comprehensive. In addition, since rules, regulations and interpretations regularly change, schools should seek independent verification from their attorneys or other sources.
- **Mid-year internal review** – From time to time, EdTec may perform an internal review with Client designed to help the school comply with many school regulations, or in preparation for a potential authorizer site visit. Using an EdTec-developed checklist, we assist the school staff in testing compliance in key areas, such as: Board resolutions and policies; risk management; food service; restricted funding; student and personnel files; and attendance reporting and student data.
