Jerry led the AoA board through Brown Act and conflict of interest training.

Brown Act Training highlights:

- It is recommended that we discuss at a future meeting how we wish to deal with teleconferencing.
- An emergency meeting is covers something such as a work strike or crippling natural disaster.
- We should set a public comment time limit and that language should appear on every agenda.

Conflict of Interest Training highlights:

- Purposeful and accidental conflicts of interest on boards tend to get people in trouble the most often. When in doubt, check for conflicts.
