C. Bator asked about emergency removal situations. T. DeLoach explained that those situations are a way for scholars to be dismissed for the day due to safety concerns, and is not directly connected to suspension decisions.

II. Development

A. Draft Development Calendar

M. Bride noted the importance of bringing prospects and supporters back into the schools to interact with our scholars and staff.

B. Draft DevComm Goals

M. Bride requested that Trustees bring any leads for new committee members

III. Finance

A. FY23 August Financials

C. Holley reported that no changes have been made to the financial forecast partially due to a conversion of software and expenses being recorded in September rather than in August. August was a "soft close" due to this, but moving forward that will be much tighter.

FinComm will receive the audit for review and presentation in October. Trustees are encouraged to attend the October FinComm meeting to directly participate in the audit presentation.
