III. Academic Excellence

A. Q2 Academic Update

T. DeLoach shared highlights from the Q2 interims and academic progress, stating that Alma's team is seeing measurable progress over time and continue on the course of action we began on in August. We know that this will be a longer time frame for academic recovery for our scholars.

C. Hicks asked about additional actions that could be pursued to help with math and science recovery, including the possibility of programming during April vacation or summer break.

A. Cortez shared that at her care center, her staff are recognizing that children are very stressed and struggling with mental health issues, and that may be creating more barriers for academics. She suggested that we look at more social emotional supports.

Y. Dennis asked whether any of the bonuses are tied to performance reviews. T. DeLoach explained that one bonus is for appreciation for all staff, and the other is a signing bonus for the staff we invite back to work at Alma again next year. The board **VOTED** to approve the motion.
