B. Kurie shared about La Respuesta (The Answer), a pilot initiative, funded by a DESE grant, that aims to enhance support for scholars and school staff. We believe that with increased family support, we can enhance the stability in our buildings; continue to build a culture and climate that fosters healing relationships; and, allow for us to transform our connection with families into true partnerships in support of our scholars. Who better to call than our families - they are the answer to our challenge - La Respuesta.

B. Kurie introduced the Board to **Angela Hernandez**, the mom of Douglass sixth grade scholar, Noel, and seventh grade scholar, Ricardo, who is one of three school aides working under La Respuesta.

A. Cortez arrived.

Kurie is updating the attendance policy language for clarity around absences and the importance of scholars being in school every day.
