Goal 2

Goal Description

NOCCS will increase the ability of students to articulate their needs and feelings using nonviolent communication as

measured by increased attendance, increased time on task, and reduced removal from class.

Expected Annual Measurable Objectives

| Metric | Baseline | Year 1 Outcome | Year 2 Outcome | Mid-Year Outcome Data | Desired Outcome for 2023-24 |
|--|--|---|--|--|--|
| Average daily attendance of students, as measured by attendance audit, increases by 0.5% annually on average until a goal of 95% or higher is met overall and for all numerically significant subgroups. | In 2019-2020 until march 2020, NOCCS had an average attendance rate of 94% | The recorded attendance rate during distance learning (March 2020 to the present) is significantly better because NOCCS was able to get internet-ready computers | Online attendance was monitored during the 2021-2022 school year, but was not reflective of the in- person attendance necessary to monitor average daily attendance | NOCCS have an average attendance rate of 95% | Average attendance will meet or exceed 95% |
| Suspension rate, as measured by discipline audit, decreases by - 0.5% annually on average until a goal of 3% or less is met overall and for all numerically | In 2019-2020, there were 22 suspensions of students (14 unduplicated) for a suspension rate of 7% | No suspensions during distance learning (March 2020 to the present) | There was no suspension during the 2021-2022 school year, however students were only able to attend inperson between April 19th and May 27th of 2021. | There was no suspension during the 2022-2023 school year, | Suspension rate of 4% or lower. |

| significant subgroups. | | | | | |
| Chronic absence rate, as measured by attendance audit, decreases by -1% annually on average until goal of 10% or less is met overall and for all numerically significant subgroups. | In 2018-2019, NOCCS has a chronic absenteeism rate of 17% | The recorded chronic absenteeism rate during distance learning (March 2020 to the present) is significantly better because NOCCS was able to get internet-ready computers | Chronic absenteeism was not a problem during 2021-2022 as most of the year was online and every family was issued a chrome book computer for their child to access classes. | Chrome absenteeism is currently not a problem | Students receiving NOCCS absenteeism rate will be at or below 13% |

B. Pupil Outcomes State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

One of the most noticeable aspects people see when entering our school is a wall filled with group portraits of nearly every family at NOCCS. We do this for much more than the stunning aesthetic value that it brings to the building – we do this because we firmly believe and want to demonstrate our history of and continuing commitment to involving the entire family in the education of our students and the life of our school community.

NOCCS was founded by a group of parents and educators committed to the promise of public education. This commitment is evident throughout NOCCS' history, and continues to thrive as a guiding principle and practice of our school today.

NOCCS is also known throughout the area as a model of parent/family and community involvement. Our parents and families typically log over 7,000 volunteer hours per year. The volunteer services that our families provide are wide ranging, including teaching handwriting, organizing the gardening program, serving on our board of Trustees, teaching visual arts classes, directing fundraising efforts, and more. This level of involvement fosters a culture of shared responsibility and accountability for the school and the education of every child at NOCCS.

In addition to volunteerism, parents and families play a critical role in the life of the school and community. From recreational activities, such as family dances, to involvement in the educational program through bi-annual family conferences and participation in the portfolio and performance assessment systems at NOCCS, families are intricately woven into the fabric of the school.

2023-24 School Safety Plan

All staff, students, and families are well-acquainted with NOCCS Emergency Operations and School Safety Plan, detailed in the school handbook, posted in the office, and available in each classroom. Monthly drills for lockdowns, fires, and earthquakes are conducted, and emergency kits are collected for students at the beginning of each year.

Furthermore, NOCCS is actively implementing and refining our "Comprehensive Peacemaking Program." This program includes proactive/educational measures, as well as individual and group interventions, designed to create, maintain, and support a physically, socially, and emotionally safe school environment for all community members.
