III. Director's Report

A. Director's Report

We have athletics that are going on and CCA is continuing to have a great year. Coach Ross will also offer summer camps to encourage students to participate in athletics during the school year.

Ms. Mills summarized some of the ongoing check-ins that are ongoing throughout the school year as the EOY testing comes in May. The reports are available in October of the next school year.

Ms. Mills explained that NC has now passed a statute which allows charter schools to offer a remote academy. Ms. Mills is inquiring whether there was an interest in offering a remote academy, which involved asking CCA teachers and then reaching out to current families. Half of families submitted a response to date and 36% expressed an interest in some remote option. This would be completely separate from what we currently offer,

possibly some of the families who are on the waitlist. This is in the brainstorming phase and for future discussions.

B. Enrollment Update 24-25

Director Mills shared that the lottery handled yesterday and shared that we had more than four times as many applicants as we had seats. We are opening a new 6th grade class. We have 99% of our students returning (not counting 8th graders who are moving on). We are one year ahead of our bond requirements. The lottery was seamless without any glitches.
