B. SRO Update

The Board was presented with a contract for a School Resource Officer from the Angier Police Department. Angier PD indicated that they were hopeful to have an SRO by the first day of school. By hiring the SRO, we will not need to pay for separate services for carpool. Our SRO should be able to provide that support. Angier PD will give CCA administration an opportunity to weigh in on which officer will be assigned to CCA.

D. Gibson made a motion to execute the proposed contract with Angier PD for a School Resource Officer for the 2024-25 school year.

L. Hopkins seconded the motion.

The board **VOTED** to approve the motion.

C. CCA Blended Academy Update

Ms. Nall shared that the timeline for the blended academy was short as CCA had applied for it once it was an option to the school and received that approval in the spring 2024. 6 families from either current enrolled students or the waitlist expressed an interest in moving towards the blended academy. Due to shortness of time, the amount of resources that would be needed, and the changing in leadership, the current administration proposed that blended academy be deferred for one year. If this is acceptable, Ms. Nall will reach out to DPI and request a deferral.

K. Potter made a motion to defer opening the blended academy to 2025 and seek the necessary permission from DPI to defer opening the blended academy for one year.

L. Hopkins seconded the motion.

The board **VOTED** to approve the motion.
