* 8-44-102. Open meetings -- "Governing body" defined -- "Meeting" defined. (a)All meetings of any governing body are declared to be public meetings open to the public at all times, except as provided by the Constitution of Tennessee...(ii) The provisions of this subdivision (b)(1)(E) shall not be construed to require the disclosure of a trade secret or proprietary information held or used by an association or nonprofit corporation to which this chapter applies. In the event a trade secret or proprietary information is required to be discussed in an open meeting, the association or nonprofit corporation may conduct an executive session to discuss such trade secret or proprietary information; provided that a notice of the executive session is included in the agenda for such meeting. (iii)As used in this subdivision (b) (1) (E): (a)"Proprietary information" means rating information, plans, or proposals; actuarial information; specifications for specific services provided; and any other similar commercial or financial information used in making or deliberating toward a decision by employees, agents or the board of directors of such association or corporation; and which if known to a person or entity outside the association or corporation would give such person or entity an advantage or an opportunity to gain an advantage over the association or corporation when providing or bidding to provide the same or similar services to local governments; and (b)"Trade secret" means the whole or any portion or phrase of any scientific or technical information, design, process, procedure, formula or improvement which is secret and of value. The trier of fact may infer a trade secret to be secret when the owner thereof takes measures to prevent it from becoming available to persons other than those selected by the owner to have access thereto for limited purposes.
