B. Monthly Financials - MMARE - KamFi

This review covered January 2023 through April 2024 and did not include 901 Property data.

- MMARE is doing well and overall better than we expected to date; new tenants have been brought in and old tenants have been renewed.
- there have been some misclassified funds by 901 Property that bookkeeper is working to sort out
- there have been no instances of gross negligence by 901 Property; the bookkeeper has been able to get all requested documents but the turnaround time has not been efficient
- there are concerns by Board with how 901 Property pools all client funds
 - this may be an issue for reporting/auditing purposes
- 901 Property contract was for 1 year and expired on or about December 2023
