II. Facility Expansion

A. Transition Plan

- Nick was present at technology inventory. There is a formal list to have the board review and possibly remove from the asset inventory (depreciation list).
- 11/19 inventory – inventoried what are Menlo property, St Mel's property, etc. Need details from Amber.
- Report on plan to involve an outside vendor (Teri)
 - Need detailed plan on FF&E (list and dollar amount) to receive a financial draw.
 - Ro (Owner's rep) offered a potential vendor.
 - Since we haven't seen inventory, we may ask them to quote a price.
 - The FF&E would be an input to the owner's rep, that would help create the FF&E that we would need for the lenders.
- Cathy may be able to contact someone at Vermilion elementary school and see if they would be able to give us price estimates of their recent purchases.
- Nick could reach out to Strongsville schools and gather their data.
- Nick volunteered to lead this effort, to get a group of people together, create assumptions, high-level list. John Cczyk, Doug Thompson, Beth Turk, Teri, Fraser, Bev, Suzanne, Jessica Burgess, Elizabeth Klipfell, Melissa McCarthy and Nick. Tara Mercio (former parent) could assist (for 3 – 4 hours). Cathie will help facilitate meeting.
- Nick would provide the gap analysis between the current inventory and a possible boiler plate that Christian could supply. (Suzanne will ask Christian what questions should be asked to assess needs for space.) Christian Long will be on-site on Dec 9, at the current site, the new site and the Winter concert. Cathie will let Bev know about possible school visits.
- Deadline to create a draft FF&E plan by Dec 15, the next board meeting.
- Professional Development

- On Dec 9, will plan the next 6 month schedule. Some on site, some virtual meetings.
- Yes, Christian will need to access the new facility
