IV. Board Member Performance & Positions

A. Whole Board Evaluation - Timing and Method

Whole board evaluations will begin in the next week.

B. Individual Board Member Evaluation

The board will conduct personal evaluations of each other and meet to discuss their individual improvement plans based on the evaluations.

C. Board Officers & Committee Chairs for 2018-2019

The Board Chair succession plan includes the next Chair being Chair Elect for one year and then at least one year of the Past Board Chair staying on the board to help orient the new Board Chair. We need to explore electing a Chair Elect this summer. There also needs to be a focus on adding Committee members who are potential board members, including some who could potentially become Board Chair.

Changes in Board Committees and their functions should be considered. There has been talk of changing portions of the board committees. The DCRC responsibilities could be better managed by two separate committees. The FEC committee's work could now be handled by the Executive Committee. Board Committee charters for new committees should be written by the June meeting for the Board to vote on.

V. Strategic Planning Approach

A. Philosophy & Process for Strategic Planning

It would be helpful for the 2018-2019 strategic plan to have no more than 3 change initiatives so efforts can be focused on the highest priorities for organizational success. It would also be helpful to enhance the clarity of Board Committee roles vs Staff roles in achieving the strategic goals and monitoring progress towards the goals.
