B. Record Attendance and Guests

II. Action Items

A. MHJF Grant

Menlo received a \$6000 grant to help the students with executive functioning. This included bringing in consultants to train the teachers. The teachers are very excited and feel it will be very helpful for our students.

Carol Ryan made a motion to accept the grant for \$6000.

Suzanne McFarland seconded the motion.

The team **VOTED** unanimously to approve the motion.

B. CQC Revision

CQC is a reward for longevity, but it should also be based on quality of work. It is also based on if the teacher has taken classes towards their gifted licence. The teachers annual review is the Teacher Assessment Framework and they can score between 0-100 points. If a teacher falls below a certain score they may be disqualified from CQC based on quality of work.

Another question is what happens when a teacher aged out of CQC. Currently it goes to CQC 7.

Is there a "reward" that the teachers would appreciate at the 10 year mark?

Any teacher hired this year must follow the gifted certification guidelines that were adopted in the 17/18 school year.

III. Approval of Contract for Health Screening/School Psychologist

A. PSI

PSI is still looking for an OT. We need someone to come in one day a week.

Fraser Hamilton Sr., Jen Sekorky, and Janie Zell meet and talked through the Winter Concert Plan. The expected revenue is \$24,000. The event space is 1/2 the cost of last year and we will not be purchasing any decorations as the event space will be decorated already.
