C. Club Policy Revision

Carol Ryan made a motion to approve the club policy as presented with the amendment that it pertains to Menlo sponsored clubs only.

Suzanne McFarland seconded the motion.

The team **VOTED** unanimously to approve the motion.

As passed, the Club policy allows for profit and not for profit vendors to set and charge fees according to the needs of their programs. Since the vendors are setting their own fees and collecting the Building Fees as part of that fee, they are responsible for paying the agreed amount to Menlo.

1. With respect to Menlo sponsored clubs (be they sponsored by a faculty member or parent volunteer) no building fees are charged. At the last Menlo board meeting, there was a suggestion to charge all club participants a fee of \$25.00 To carry that idea forward, the following change to the Club policy is advanced:

(e) A one-time yearly, \$25.00 Club Participation Fee paid directly to Menlo will be charged each student to participate in one or more clubs during that school year. These fees are to help defray costs associated with offering and maintaining each club. These fees would be paid directly to Menlo by parents.

The 7th and 8th graders will take a combined trip to either Philadelphia or Washington D.C.
