Site visit – marked compliant

**H. Sponsor Update**

**II. Treasurer Report**

**A.**

## **Monthly Financial Statements**

MPA was paid (back pay) from ODE on the corrected number of students so payments are now up to date.

Budget - monthly and YTD budgets were available to the Board. F. Hamilton asked for end of year projections based on known income and expenses. D. Massa offered to give an updated projection at the next board meeting. As the Board projects income and expenses conservatively, it appears MPA will end the year with an approximate \$100,000 surplus. D.Massa stated that A.Oxley and the MPA Business Office are doing a great job running a tight ship. The largest line item expense this month was for field trips.

MPA's Board stated they are curious to hear about the audit; D. Massa stated MPA should hear back soon.

T.Harrison inquired about budgeting process for 2016-17 school year. A.Oxley stated the goal was to bring next years' budget to the next board meeting for approval. A. Oxley and J. Deir updated the Board that the finance committee was working to gauge the budget needs of the various staff members and committees of the board. D.Massa will bring a draft 5 year budget to April's board meeting for approval.

## **B. Monthly Expenditures**

Board reviewed monthly expenses, noting that Miscellaneous Expenses seemed high. A. Oxley explained this was due to reimbursements to the School Director dating from summer through year end. A. Oxley is now collecting receipts and processing reimbursements monthly. T. Harrison asked that the board see a break down of these expenses.

## **C. 2016-2017 School Calendar**

Amanda Ross made a motion to approve the 2016-2017 School Calendar as presented with the addition of in-service days (avg. 1/month).

Dawn Doran seconded the motion.

The board **VOTED** unanimously to approve the motion.

School Calendar discussion - Start of school is earlier than in years past (Tuesday August 23rd, 2016). Parent/Teacher conferences (no school for students) are scheduled for the first Monday and Tuesday (Election Day) of November due to (parking lot) safety concerns as St. Mel's Community Center is a voter precinct.

## **III. School Directors Report**

### **A. Dress Code**

Fraser Hamilton Sr made a motion to approve the new dress code policy as presented. After Board discussion, F. Hamilton withdrew this motion and made a motion to delegate the authority to approve the policy changes for this school year to the PEC.

Amanda Ross seconded the motion.

The board **VOTED** unanimously to approve the motion.

The School Director charged Student Council with reviewing, deliberating, and recommending changes to the dress code. Student Council President and Vice President (Eliana and Lexi) presented Student Council's recommendations.

## **B. State of Ohio Report Card**

MPA's Performance index shows a grade of B, scoring 100.9 points out of 120. This is due to several factors in addition to the 6.6% of students who opted out of state testing last year. ODE's reconfigured numbers increases the grade to an A (scoring 108 points out of 120) when non-tested students are not included. ODE is not likely to publish the adjusted score. Certain grade level subjects do not have a score as no score is tabulated when fewer than 10 students take the test (due to Federal Privacy regulations). F. Hamilton expressed concern that the scores seems to drop in 6th grade. T. Harrison requested that the Program Excellence Committee work with the Admin Team to explore this in greater detail (Are MPA students getting tested on what they are learning? Are a few poor testers skewing the results? Etc.)

The State of Ohio Report Card is available on ODE's website.

## **C. Miscellaneous**

D. Thompson discussed Team Leads and Teacher Based Teams. He is looking to increase common math time in lower school to better facilitate differentiation through an increased number of (smaller) groups. Implementation across multiple grades will better allow for individual subject acceleration needs as well.

B. Veccia discussed the site visit of some CMSD Gifted Teachers and Gifted Coordinator. She expressed that CMSD is moving away from a self-contained gifted program and moving toward a pull-out program.

## **IV. Development & Community Relations**

### **A. Capital Campaign Update**

A. Ross read Capital Campaign Chair Kelly Nelson's letter to the board asking for 100% Board participation before rolling out the campaign. Goal is to achieve this by the end of the month.

Upcoming fundraisers include Walk-A-Thon and the Spring Concert.

### **B. Foundation Visit**

### **D. Environmental Expenses**

A discussion ensued regarding what work was done and why this cost wasn't paid by the environmental grant. F. Hamilton will ask Mannik Smith Group for more details. F. Hamilton withdrew his motion.

### **E. Real Estate Tax bill**
