Topic: Adoption of Declaration of Need for Fully Qualified Educators.

Recommendation: The **Mission Preparatory Inc. Board** adopt the attached Declaration of Need of Qualified Educators and grant authorization for the hiring of teachers on emergency permits based on an insufficient number of fully credentialed teachers who meet Mission Preparatory’s specified employment criteria for the position(s) listed on the attached form.

Background: The item is brought to the Board as an action item seeking adoption of the attached Declaration of Need for Fully Qualified Educators. Upon approval of this Declaration by the California Commission on Teacher Credentialing (CCTC), Mission Preparatory School will be permitted to hire emergency permit teachers for CLAD, Limited Assignment Permits, Provisional Internship Permits, Short-Term Staff Permits, and Variable Term Waivers. Notwithstanding, Mission Preparatory School will hire emergency permit teachers only when qualified, capable, fully credentialed teachers are unavailable.

Staff Analysis: It is recommended that the Board take action to adopt the Declaration of Need for Fully Qualified Educators and to grant authorization for the hiring of teachers on emergency permits.

This declaration will remain in force until June 30, 2027. Submission of the Declaration of Need for Fully Qualified Educators by the local education agency is a prerequisite to the issuance of any emergency permit by the California Commission on Teacher Credentialing. California Code of Regulations Section 80026 requires that the annual declaration be adopted by the Board at a regularly scheduled, public meeting of the Board.

Fiscal Impact: No budgetary expense will be involved.
