##### **B. Call the Meeting to Order**

#### **II. Academic Excellence**

##### **A.**

### **Review academic dashboard**

Reviewed as part of the director's update

### **B. Review Progress on LCAP Goals and Prepare for LCAP Engagements**

Cynthia shared that a major focus is to incorporate more everyday data, not just major assessments like SBAC.

### **C. Executive Director update**

- Cynthia & team shared their update slides.
- What are interventions for students who are behind? Do they get extra time?
  - The focus is on targeted interventions based on data, with extra support staff to help with small groups.
- What is being done to support students in middle school, who seem to be struggling more?
  - Added more supports (TAs, onboarded last month) in middle school, focused especially on social & emotional support in the classroom.
  - The major challenges for middle school are: social-emotional needs, many students who are new to MPS, and students who fell behind on math (because it's hard to learn math remotely)

## **III. Closing Items**

### **A. Adjourn Meeting**

There being no further business to be transacted, and upon motion duly made, seconded and approved, the meeting was adjourned at 12:24 PM.

Respectfully Submitted,
