New guidelines spring 2025 to create an independent study policy and home-hospital instruction. Students cannot be placed on independent study as a punishment, and can be used for up to 15 days for emergency situations (excludes vacation). Services can be given online. If there is a need for more than 15 days of independent instruction, a schooling alternative would have to be made with the district. Home-hospital instruction is based on a medical team's advance (doctor's recommendation).

N. Driver seconded the motion.

The board **VOTED** to approve the motion.

III. Executive Director Updates

A. Update for SY25-26 Launch

Beginning work on charter renewal for Mission Prep. Over the past few years, we have increased the diversity of the student population, particularly African American students (2% to 6%), implemented math walkthroughs and teacher Peer Learning Groups, and there is now a student government body. SBAC data from 2024–2025 shows the MP is catching up with the state averages in ELA, science and math, and increasing language reclassification for long-term English Language Learners. There are four students who will be invited to an algebra class instead of Math 8 due to their success in the math portion of the SBAC.

IV. Finance
