Reason for Leaving Key

Base School: student left to attend base school

Boarding School: student left to attend boarding school. Note that in both cases the student returned to RTHS.

Class Size: class size was too large

Did not want remote instruction: during COVID; wanted students back in full face to face instruction.

Dropout: left school before graduation without transferring.

Early College: left to attend an Early or Middle College high school.

GED: left to earn GED.

Health: left for physical, mental, or emotional health reasons.

Holton: left to attend the Holton Career Center in Durham, a part of Durham Public Schools.

Homeschool: left to attend a home school. This is often family run for private reasons.

IB Program: left to attend a school that offered an International Baccalaureate program.

limited course options: left because another school provided course options RTHS did not.

Mask Mandate: opposed mandatory masking during the 2021-2022 school year.

Missing Christian Environment: left to attend a religious private school.

Moved IN NC: moved in NC but away from RTHS.

Moved OUT of NC: moved out of NC.

NCSSM: left to attend NC School of Science and Math. This is a good thing.

None: no reason was given by the parent. RTHS received a records request with no other notice. This is not a dropout situation.

Social Environment: the student wanted sports, clubs, or a school culture and climate different from RTHS.

Teaching Methods: the student or family did not like personalization, the BYOD system, or sought some other method of instruction.

Transportation: the family could no longer provide transportation to school or did not want to use public transportation.

UNCSA: student left to attend the UNC School of the Arts.

Wanted Remote Instruction: wanted the option of remote instruction after RTHS returned to face to face.

Pre-ACT procedures for Research Triangle High School

Prepared by Leatha Fields-Carey, testing coordinator

In preparation for the state-required administration of the Pre-ACT during the 2021-2022 school year, the following steps were/ will be taken:

The testing coordinator, Leatha Fields-Carey, attended a testing coordinator meeting via Microsoft Teams on August 17, 2021. Paul Davis, Regional Accountability Coordinator, conducted this training, which included procedures and rules for administering the Pre-ACT.

During the week of August 16th, Leatha Fields-Carey sent a list of students who will be testing to Paul Davis, who sent the list to Lindsey May, ACT liason, to upload into Pearson Access Next, the online system for the ACT suite of tests.

On August 25th, Leatha Fields-Carey consulted with Eric Grunden, Chief School Officer, to set the Pre-ACT date. There is a large window during which the test can be administered (October 2021-March 2022). The decision was made to test students on November 2nd, 2021, so as not to interfere with the PSAT in October and to enable the juniors that are re-testing to get scores back in enough time to prepare them adequately for the ACT they will take in May.

Leatha Fields-Carey, as required by state policy, sent out the school's yearly testing plan to students and parents via ParentSquare on August 25th, 2021 (see screenshot below). This plan includes dates for all required testing throughout the school year.

Leatha Fields-Carey • a day ago • Wednesday, Aug 25 at 9:14 AM • 9th Grade, 10th Grade, 11th Grade, 12th Grade	\$
Parents and students: Here are the dates for standardized tests that will be administered at RTHS this year. If you have questions, please let me know.

The date for materials to be shipped was set by Leatha Fields-Carey in Pearson Access Next.

When materials arrive, they will be stored securely in the testing closet. Only Leatha Fields-Carey and Eric Grunden have keys to this closet, in accordance with state policy.

In late October, reminders will be sent via email to ensure that all students who are testing know where and when to report for testing on November 2nd.

In late October, testing staff will be trained by Leatha Fields-Carey in order to ensure that staff understand how to administer the tests and how to keep the testing material secure. This training will be face-to-face. Staff will sign a document stating that they have been trained and have had the opportunity to ask questions.

During the month of October, Leatha Fields-Carey will report to Eric Grunden regarding the progress being made towards successful administration of the test.

November 2nd will be a Digital Learning Day for freshmen and seniors to ensure that the attention of all staff can focus solely on the test administration.

On November 3rd, students who have the accommodation of being able to test over multiple days will finish their test. Additionally, Leatha Fields-Carey will package and return testing materials on this date to ensure that materials are received by ACT in a timely manner. Students who miss the initial testing date will have the opportunity to test on the makeup day.

Mask Policy

Section: Item: Purpose: Submitted by: Related Material: II. CSO Report B. Mask Policy Vote

Mask Policy Oct 2021.pdf

Mask Policy

At Research Triangle High School (RTHS), we take our duty to provide a safe and healthy school environment seriously and will not tolerate conduct that jeopardizes the safety of others. We believe that our school is a community where we care for each other and think not just about ourselves but about our community when making decisions, especially where decisions could directly and seriously harm others.

Consistent with our duty to protect the health and safety of students, staff and our community, the Board of Directors of RTHS voted to implement a mandatory mask policy effective 10/20/2021. Beginning 10/20/2021, all employees, visitors and students are required to wear a mask upon entering and remaining on campus. This mask policy is consistent with CDC and NCDHHS guidance, the Strong Schools Toolkit and the vast majority of public schools throughout North Carolina.

For the safety of others, the school requires a 2-layer cloth face mask or medical mask. Mesh masks are never permitted and will be confiscated. Masks must cover the nose, mouth and chin.

Wearing a mask protects others as much, if not more, than the person wearing it. Students who do not follow this policy will be subject to the school's disciplinary process. Employees who do not follow this policy, will be subject to disciplinary action, up to and including termination. Because not wearing a mask places other students and staff in direct harm, the school will not be providing mask exemptions except in exceptional circumstances. Any mask accommodation will be reviewed in accordance with the Americans with Disabilities Act and Amendments, Section 504 of the Rehabilitation Act and the Individuals with Disabilities Education Act.

The school will provide students and staff with mask breaks. In addition, temporary removal of the mask is permitted where necessary for the following purposes:

- 1. Actively engaging in an athletic or fitness activity;
- 2. Consuming food or drink;
- 3. For any emergency or medical purpose.
