Mask Policy

Mask Recommended April-May 2022.docx

Mask Policy

At Research Triangle High School (RTHS), we take our duty to provide a safe and healthy school environment seriously and will not tolerate conduct that jeopardizes the safety of others. We believe that our school is a community where we care for each other and think not just about ourselves but about our community when making decisions, especially where decisions could directly and seriously harm others.

Consistent with our duty to protect the health and safety of students, staff and our community, the Board of Directors of RTHS voted to implement a mandatory mask policy effective March 17, 2022. Beginning April 21, 2022, all employees, visitors and students are required to wear a mask upon entering and remaining on campus. This mask policy is consistent with CDC and NCDHHS guidance, the Strong Schools Toolkit and the vast majority of public schools throughout North Carolina.

For the safety of others, the school requires a 2-layer cloth face mask or medical mask. Mesh masks are never permitted and will be confiscated. Masks must cover the nose, mouth and chin.

Wearing a mask protects others as much, if not more, than the person wearing it. Students who do not follow this policy will be subject to the school's disciplinary process. Employees who do not follow this policy, will be subject to disciplinary action, up to and including termination. Because not wearing a mask places other students and staff in direct harm, the school will not be providing mask exemptions except in exceptional circumstances. Any mask accommodation will be reviewed in accordance with the Americans with Disabilities Act and Amendments, Section 504 of the Rehabilitation Act and the Individuals with Disabilities Education Act.

The school will provide students and staff with mask breaks. In addition, temporary removal of the mask is permitted where necessary for the following purposes:

- 1. Actively engaging in an athletic or fitness activity;
- 2. Consuming food or drink;
- 3. For any emergency or medical purpose.

Relaxed COVID-19 Policy

At Research Triangle High School, we take our duty to provide a safe and healthy school environment seriously and will not tolerate conduct that jeopardizes the safety of others. We believe that our school is a community where we care for each other and think not just about ourselves but about our community when making decisions, especially where decisions could directly and seriously harm others.

To that end, we are taking a layered approach to COVID-19 which includes the following:

- 1. Promoting vaccinations for all eligible individuals
- 2. Minimizing exposure to COVID-19
- 3. Screening/testing where applicable
- 4. Continuing robust cleaning and hygiene practices
- 5. Managing through isolation and quarantine suspected or confirmed COVID-19 case or exposure.

Generally, when the School's board of directors adopts a mask optional policy, students and staff will be permitted to decide whether to mask or not. Notwithstanding the foregoing, even in a mask optional setting, masks will be required at the discretion of the Executive Director in the following circumstances:

- 1. In accordance with guidance from the Strong Schools Toolkit, the NCHHS, and/or the Centers for Disease Control and Prevention ("CDC")
- 2. Where an individual tests positive for COVID-19
- 3. Where an individual has symptoms of COVID-19
- 4. Where an individual has experienced a potential exposure to COVID-19
- 5. On any school related trips using non-parent transportation
- 6. In accordance with state or federal law, including but not limited to the Americans with Disabilities Act and Amendments.

For the safety of others, when a mask is required, the school requires a 2-layer cloth face mask or medical mask. Mesh masks are never permitted and will be confiscated. Masks must cover the nose, mouth and chin.

It is always important to be mindful that there are many reasons why an individual may or may not mask. All employees are expected to be supportive of their co-workers' choices with respect to masking. And, all parents/students/guardians are expected to be supportive of staff and students with respect to their choices. Any staff member who violates this policy will be subject to discipline. Any student who violates this policy will be subject to discipline under the Schools Code of Conduct. Any parent/guardian who violate this policy will be contacted by the Executive Director.

This policy may be updated, amended, modified or rescinded at the discretion of the Board.
