The RTHS Board of Directors welcomes and values input from members of the public during its meetings. In compliance with Open Meetings Law, the public is invited to attend all open meetings of the RTHS Board.

To complete its planned agenda effectively and efficiently, the Board designates a specific time for public comment at each regular monthly meeting. Individuals seeking to address the board must:

- 1. Sign up at least two (2) hours before the start of the meeting by contacting the Board Chair in writing.
- 2. Each written request to comment must include the speaker's name, their contact information, and the subject of the comment.
- 3. Each speaker will have no more than three (3) minutes to address the Board.

The following guidelines are observed during the public comment session:

- 1. Comments must be directed to the Board of Directors.
- 2. Profanity and personal attacks are not permitted.
- 3. Board members do not engage in dialogue or respond to speakers.
- 4. Per state law, any discussion of personnel matters or attorney-client privileged issues must occur in a closed session.

Thank you for your cooperation and your continued commitment to RTHS.

PROPOSED AMENDMENT TO RTHS'S ADMISSIONS AND ENROLLMENT POLICY

The <u>Operations and Board Policy Manual</u> for RTHS, last updated in 2022, is currently undergoing a comprehensive revision. The Admissions and Enrollment Policy, found on pages 34-37 of the manual, will be fully reviewed in due time as part of that process. In the meantime, however, RTHS's student services team proposes revising the first paragraph of the policy on Page 34. That paragraph lays out the timeline of when the admissions process begins and concludes; given the proposed new application opening date, this particular revision is more timesensitive.

A more detailed rationale for making this change can be found in <u>the attached</u> <u>proposal</u>. As procedures for admissions and enrollment are not prescribed in our school's charter, no amendment to the charter is required to effect this change.

CURRENT POLICY, PARAGRAPH 1

RTHS is a nonprofit, tuition-free charter school authorized by the state of North Carolina. As a charter school, RTHS will be open to all students who would otherwise qualify for enrollment in North Carolina Public Schools. The school will not discriminate against any student on the basis of ethnicity, national origin, gender, or disability. The school will open enrollment on January 1. The open enrollment period will end on February 28. The lottery date, time and location will be published on the school's website by January 15th of each year.

PROPOSED REVISION

RTHS is a nonprofit, tuition-free charter school authorized by the state of North Carolina. As a charter school, RTHS will be open to all students who would otherwise qualify for enrollment in North Carolina Public Schools. The school will not discriminate against any student on the basis of ethnicity, national origin, gender, or disability. RTHS will open applications on October 1. The initial application period will end on February 28, or the last business day in February. The application will then be reopened the business day following the admissions lottery. The lottery date, time and location will be published on the school's website by January 15th of each year.

School Engagement Team Update: The SET is focused on **three goals** as we begin the academic year:

Domain 1: Turnaround Leadership:

- 1. Annual learning goals: Set annual learning goals utilizing student learning data and communicate the urgency of improvement.
- **2. School Culture:** Cultivate a supportive school culture addressing physical, social, emotional, and behavioral health for all personnel.
 - ★ Launch initiatives to support staff well-being.

Domain 3: Instructional Transformation:

1. Progress Monitoring: Use student data to identify instructional needs, implement a tiered system of support, and monitor progress through reliable, system-wide screenings.

Research Triangle High School Academic Committee Data Calendar

This calendar is designed to guide monthly academic committee meetings by focusing on one key dataset at a time.

Month	Focus Dataset	Purpose	Key Questions
August	Student Demographics & Enrollment Trends	Understand student population, shifts, and subgroup composition	Who are our students this year? What trends are emerging in enrollment?
September	EOC State Assessment Results (Prior Year)	Analyze standardized test outcomes to inform instruction and interventions	Where did students struggle? Which subgroups need more support?
October	Course Grades & Failure Rates (Q1)	Identify academic risk early in the year	Which students are failing courses? What subjects are most impacted?
November	Attendance Data	Explore attendance trends and correlations with performance	Are there chronic absenteeism patterns by group or grade?
December	Discipline Data	Review behavior trends and equity in disciplinary actions	Are certain groups overrepresented in suspensions or referrals?
January	Mid-Year Benchmark Assessments	Evaluate student growth and instructional ered by Board On Frack effectiveness	Are students on track for end-of-year goals? Where are the gaps widening?

Academic Excellence Committee

Trends we noticed:

- RTHS is trending downward in Biology EOC Scores
- Proficiency is high for our White and Asian students. Numbers are lowest for our Black students and students with disabilities.
- Our male students are outperforming our female students (71% male GLP, 64% female GLP)

Discussion Topics surrounding these trends:

- While we are trending downward, we are still doing fairly decent overall in comparison to state numbers
- Lots of turnover in Science department, Biology students directly impacted over the last 4-5
- Benchmark assessments directly aligned to Biology EOC Would like to discuss in further detail at Board Retreat how we can better support our Biology teachers and students
