Math – 28% (@RTHS) – 40% of incoming class take – target 3pts increase by eoy – test over summer prior to first year and if they do not test well RTHS will not admit them - Work with them throughout school year – tutoring, changed teacher. There is an overlap w/ students who struggle in other classes - Need more emphasis on Math in both Math 1 & II

Biology – 77, English II – 83.9

NCFE (NC Final Exams) - All results were higher than predicted except Math II

ACT Results - 11th Grade was uniformly high (70% or higher)

PSAT - Limited but still over 60% but anyone can take it

SAT - Excellent results and over predictability on EVAAS

IV. CEO Support And Eval

400+ applicants (25% more apps from last year)

105 spots available

Provisional condition - drew 8 acceptances - didn't complete math recommendation or teacher said they were not ready

Accepts, declines, Demographics not available yet

Science Olympiad (17 events) - 2016 is first year - Student leaders, Parent & Teacher advisors

- Concerns around attendance, advising in some cases was minimal
- Some 1st place finishes, 4th place in Varsity for events, some 2nd place finishes - dealt very well with ambiguity and ended with a 5th place overall
- Math is not strong, growth was seen due to underperformance initially but Mastery approach is used (PLP) vs. pass/fail and results have improved
- English 99th percentile growth

- Leaves due to requests that were not aligned with RTHS policies - not curriculum related
- AR Board - Spend time with Eric in a 1:1 capacity to discuss goals
