No Finance committee meeting this month.

Previously approved initiation of cluster busstop system. Awaiting bus contractor to provide drivers. Have budgeted \$100,000 for this effort, but contract likely to be for \$60,000 for bus drivers. Other costs will include maintenance, etc. Hiring of drivers has been a challenge. Fuel may be reimbursable.

Discussion ensued.

Mr. Quigley would like to request Board to tentatively approve the contract.

## VI. Governance

### A. Governance Meeting Updates

Governance committee did not meet this month

## VII. CSO Report

### A. CSO Updates - Specific Items

Eric presented the attached CSO report.

#### I. State of School

a. Enrollment update: on target despite some attrition. Diversity continues to improve.

b. Staff status: hire list for Board approval provided. Search to be conducted for new Dean of Students.

c. Physical plant upgrades: work nearly complete. Landscaping continues.

d. Charter renewal: advanced to renewal year 2, have completed all required tasks to date. Awaiting feedback on stage 1 and new year 2 tasks.

II. PreACT Issue: situation was discussed, and improvement plans to ensure that this issue never happens again (including fail-proof process with redundancy and verification process) were outlined. Eric will provide the Board the details of this improved process once the details are clarified.

III. dPLT Fridays: Discussed a number of potential benefits of this initiative. Discussed support, and concerns, from stakeholders. Discussed concerns with the timing due to other priorities, including returning to in-person school. Considered benefits of waiting to roll-out this initiative, which would allow more time to fully develop the details of this initiative, with more input from stakeholders. Considered that, with more time to fully detail this proposal, it could be a real asset to RTHS.

S. Rivers-Kobler made a motion to Defer implementation of DPLT to allow for further evaluation.

C. Coia seconded the motion.

Vote occurred after Executive Session.
