III. Other Business

A. Managing Unspent Budget Items

The committee discussed the need to tightly manage the remaining spending during the executive transition. This management should enable the school to confidently close spending for SY 21-22. The committee further discuss preparing to priority areas to spend excess cash as the budget allows. This conversation is ongoing between Nicole, Eric, Brandon, and Joey. An action step was specifically taken to schedule a meeting to discuss this action. Additionally, Nichole committed to discussing of the options on spending down the remaining balances with the auditors. The primary goal of this work is to provide a financial cushion to the new executive director with the knowledge that some available fund sources may not be available next year.

The committee also discussed the need for the school to prepare a budget model for SY 22-23 to include budget room for the new executive director as well as fund teacher renewal bonuses to be paid out in 3 equal installments. The committee set a target of affording an additional \$2500 bonuses to staff. Nicole will work on the budgeting model after Eric and Brandon discuss staff renewals.
